KIRKTON HERCULES

THE

BAPTON - GLAMIS

SHORTHORN

REDUCTION SALE

10TH OCTOBER, 1957

AT 1.30 P.M.

CALROSSIE CONSTELLATION

KAIR MASTERKEY

CONDITIONS OF SALE

1. The Cattle will be exposed separately according to the numbers in the following Catalogue. The Auctioneers reserve the right to refuse any bid without assigning any reason. The highest offerer of each lot will be preferred to the purchase—each offer exceeding the former by at least one guinea.

2. Immediately after each purchase is declared, the risk of the animal shall be exclusively with the Buyer, and it is declared that until a settlement shall be made in terms of these Conditions the delivery of the animal shall be suspended. The right of property shall not pass until the price is paid.

3. Immediately after the Sale all lots must be paid for in cash to the Auctioneers. The price being paid, each lot shall be taken away at the Buyers's expense within one day after the sale thereof, except in the case of animals for re-test or export, which will be kept free of charge until re-tested, or shipment is available. Lots shall only be removeable from the Auctioneers' possession on a written order from their clerk, and any lot removed in contravention of this condition may be recovered *brevi manu* by the Auctioneers.

4. Should any Buyer fail to pay for and remove his purchase in compliance with the above Conditions, the Auctioneers in their option may either (a) sue the Buyer for the price and interest thereon at the rate of *Six per Centum per Annum* and for the keep of, and any other expense incurred by them in connection with such purchase, or (b) re-sell the Lot either publicly or privately and recover from the defaulting Buyer the deficiency (if any) attending such re-sale and interest thereon as aforesaid together with the keep and all other expenses. In either case, the Auctioneers shall have the right to sue at their own instance without the consent of the Owner or Consigner, and no defence whatever in such action shall be competent to the Buyer who shall have recourse against the Owner or Consigner alone.

5. No undertaking of the Auctioneers or their servants to take charge of any animal after the Sale or to forward it to its destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing conditions.

6. The Auctioneer is appointed Judge of the Sale, to whom are hereby submitted all disputes and differences of any kind which may arise at and in relation to the Auction, either between Exposers and Offerers or among Offerers themselves. His decision shall be final and binding on all parties.

BAPTON SHORTHORNS

The Bapton Herd has for many years, been one of the most distinguished and impressive in the United Kingdom. The soundness and reliability of both the cattle and their pedigrees, have made Bapton a cornerstone of the cattle-breeding World.

The Herd was founded in 1867 at Bapton Manor Farm, Wiltshire, and in 1890, when the late Amos Cruickshank gave up his famous Sittyton Herd, one half went to Collynie, and the other half to Bapton. After having moved a few times, the Herd, in May, 1955, was transferred from Delaware to Cairnbrogie, quite near to Sittyton, where the stock had come from sixty-five years earlier.

Only the very best stock bulls have been used, mostly Collynie bred through the early part of the century, and in 1931, the great Calrossie Ringleader was purchased. He proved a paramount sire, and was followed by Calrossie Air Control, a son of the famous Calrossie Control. It was Air Control's grandson, Bapton Air Pilot, that has done so much for this Herd, and for the breed, during the last twenty years.

In 1951 the great, white, Kirkton Hercules was purchased for 5000 gns., after winning his class at Perth. Recognised as one of the famous Kirkton Baronet's greatest sons, he has certainly left his mark in the Herd, passing on his beautiful character and quality to his offsprings.

To follow Kirkton Hercules, the present senior stock bull, Calrossie Constellation, was purchased in 1954 for 5600 gns. Undoubtedly one of the world-renowned Calrossie Welcome's best sons, his record to date is well known. His dam, Calrossie Flossy Beau, is perhaps Kirkton Baronet's best daughter at Calrossie.

For continuation of breeding programme, please study Reference to Sires, and note the blood lines being followed.

During the last seven years the Herd has been increased and strengthened by the purchase of some of the best females in the breed. Although purchased from different sources, an analysis of the pedigrees show that it is mostly the MacGillivray and Marshall lines which predominate.

The proven merits of Bapton Cattle is borne out by the prices paid by Home and Overseas Breeders, while the number of prizes won by the Herd is a record. In recent years these include supreme championships at the Royal Highland, Royal English, Great Yorkshire, Perth, Aberdeen, and many other smaller Shows.

This is the first Reduction Sale in the history of the Herd.

GLAMIS SHORTHORNS

THE Glamis Herd was founded in 1950, the first purchase being the top-priced animal (Calrossie Augusta Ellie, 1800 gns.) at the Calrossie Draft Sale. Since that time, twenty females have been purchased privately at Calrossie. The Owners appreciate the assistance given by Messrs. John & D. P. MacGillivray in the founding of the Herd, by allowing the purchase of foundation females of such high individual merit and outstanding pedigree. Further purchases were made at the Kirkton Dispersal; Cruggleton Dispersal; Aldie Dispersal; and Erimus Draft Sale.

No expense was spared in the purchase of foundation females, the following prices having been paid at Public Auction:—1800 gns.; 920 gns.; 800 gns.; 600 gns.; 550 gns.; 520 gns.; 420 gns.; and 400 gns.

In the selection of foundation stock, individual merit and pedigree were considered equally important.

The first stock bull, Calrossie Highland Monarch, proved a wonderful investment, siring many “four-figure” sons, which sold to a top of 5500 gns., and a lovely bunch of young females, the first of which produced Glamis Budget, sold for 2500 gns. at Perth this year.

To succeed Calrossie Highland Monarch, the Perth junior champion and reserve supreme champion of 1956—Kair Masterkey—was purchased for 5600 gns. This outstanding son of the famous Calrossie Crocus Count has developed into a massive two-year-old, and is very favourably commented upon by visitors to the Herd. His first crop of calves, born this Spring, show great promise.

The Females in the Sale are mostly sired by, or in calf to, either of the outstanding stock bulls—Calrossie Highland Monarch and Kair Masterkey—further details of which will be found in the Reference to Sires at the end of this Catalogue.

The Reduction Sale will be the first occasion on which any of Calrossie Highland Monarch's daughters have been offered for sale. Only three Heifers have been exposed for sale since the Herd was founded. These sold for 950 gns.; 700 gns.; and 500 gns., and included the reserve champion female at Perth in February, 1956.

Bulls bred in the Herd have been exported to Argentina, Australia, New Zealand, U.S.A., Canada, South Africa, and Eire. Summer showing has never been practised.

The Glamis Herd has fast outgrown the available accommodation, hence it was decided to hold this Reduction Sale which will afford both home and overseas Breeders an opportunity to secure Foundation Stock of high individual merit, combined with really outstanding pedigrees, and from the most fashionable families.

GENERAL INFORMATION

The Sale will be held at Cairnbrogie, Oldmeldrum, Aberdeenshire, which is situated 3 miles from Oldmeldrum, 3 miles from Tarves, 8 miles from Inverurie, and 17 miles north west of Aberdeen. Main roads will be signposted to the Farm on day of Sale.

For the convenience of Buyers, a bus will leave the Station Hotel, Aberdeen, at 9.15 a.m. on morning of Sale.

By previous arrangement with the Owners, Buyers arriving at Dyce Airport or Aberdeen by later trains, will be met.

Hotel accommodation can be had in Aberdeen, Ellon, Inverurie, Kintore, Newburgh, and Oldmeldrum. By contacting the Owners, or Mr. Donald Noble, Secretary, Scottish Shorthorn Breeders' Association, 17 York Place, Perth (Phone: Perth 1771), accommodation can be reserved.

Coffee and refreshments will be available during the forenoon, and lunch will be served at 11.45 a.m.

Intending Buyers wishing to view the cattle prior to the Sale, can do so by contacting:—

(Bapton) W. Gordon Blackstock, Cairnbrogie, Oldmeldrum.
Telephone: Udney Green 24.

(Glamis) Robert M. Adam & Son, Newhouse of Glamis.
Telephone: Glamis 234.

The cattle will be on view at Cairnbrogie on and after Tuesday, 8th October.

The Sale will be held under cover, commencing at 1.30 p.m.

All the animals, with the exception of the Heifer Calves, have been vaccinated with Strain 19, and all have passed the Blood Test prior to vaccination.

The Herds are Attested. Last official Test of both Herds was 9th to 12th April, 1957.

All animals have been subjected to the various Tests, the results of which appear in this catalogue. The Bapton cattle were tested by Mr. Colin Ironside, M.R.C.V.S., Inverurie, and the Glamis cattle by Mr. Edward Argo, M.R.C.V.S., Kirriemuir.

Overseas Buyers are asked to satisfy themselves as to which animals are eligible for their respective countries. A re-test can be given to Buyers, and their purchases can be kept free of charge, at Buyer's risk, until the re-test is completed, and in the case of animals for export, until shipment is available.

If desired, purchases will be loaded on rail at Aberdeen or Inverurie, free of charge.

YEARLING HEIFERS

5 d 220430 Calrossie		
Norah Broadhooks by Calrossie Raider	290883	Capt. MacGillivray

Served on 19th May, 1957, by Kair Masterkey.

Glamis Helen Broadhooks is uterine sister to Glamis Double Dash, a member of all the champion groups at Perth in 1955, and sold for 2200 gns. to Lawton. Calrossie Heather Broadhooks is uterine sister to Glamis Grand Monarch (90,000 pesos), and Calrossie Classic (1100 gns), while her dam is full sister to the 3000-gns. Calrossie Baronet, used with success at Naemoor and Crichton. The line of sires in this pedigree would be difficult to equal. For notes on the top five bulls—see Reference to Sires (D), (A), (K), (F), and (N).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 12 mm.

Avian—Initial, 11 mm.; 72nd hour, 11 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 12th September, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)**3 (Vol. 103) BAPTON AUGUSTA LEONIE (X.O.M. O.9), Red.**

Calved 17th February, 1956,	sire, Calrossie	J. & D. P.

5 d 27227 Cudham Augusta 8th by Cluny Sir Augustus 141658 Lady Cathcart

Served on 24th May, 1957, by Calrossie Good News.

Bapton Augusta Leonie is uterine sister to the £12,000 Bapton Enterprise, and to Bapton Golden Miller, 1st prize at Perth in 1953, and sold to Mr. Roy M'Caughey, Coonong, Australia. Her uterine sister, Bapton Augusta Heather, is outstanding, and is being retained. Calrossie Augusta Laura was purchased for 1600 gns. at the Calrossie Draft Sale in 1950, and is uterine sister to the famous Calrossie Welcome. Note the blend of Calrossie and Cruggleton blood in this pedigree. Calrossie Constellation and Calrossie Cupbearer—see Reference to Sires (G) and (W).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 7 mm.; 72nd hour, 7 mm.

Avian—Initial, 7 mm.; 72nd hour, 7 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 28th August, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)**4 (Vol. 103) BAPTON YANA BUTTERFLY (X.O.M. O.16), Red Roan.**

Calved 14th March, 1956, sire, Kirkton Hercules 381696 K. P. MacGillivray
 dam, 376171 Bapton Butterfly 2nd by Bapton Paragon 369663 J. V. Rank
 g d 268427 Aikbank Butterfly 2nd by Ballechin Clipper
 3 d 229116 Balthayock Chief 290092 R. W. Honeyman
 Butterfly 17th by Cluny Brave
 4 d 188261 Balthayock Command 289476 Mrs. B. L. Gordon
 Butterfly 12th by Calrossie Grand
 5 d 149144 Balthayock National 268893 Capt. MacGillivray
 Butterfly 7th by Kinellar Matador 245155 Syl. Campbell

Served on 29th June, 1957, by Chapelton Commando.

Bapton Butterfly 2nd has been an excellent breeder. She is the dam of Bapton Silver Dollar and Bapton River Line. The latter won 1st prize at Perth in 1954, and was sold to Major P. Henderson, of Lawton, where he has bred very well, three sons having sold for 1600, 1700, and 2000 gns. in 1956. This branch of the famous Butterfly family has produced many notable stock bulls in recent years, including Calrossie Grand National and Cruggleton Braemar. Kirkton Hercules and Bapton Paragon—see Reference to Sires (A) and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 7 mm.; 72nd hour, 7 mm.

Avian—Initial, 7 mm.; 72nd hour, 7 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th October, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/80.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)**5 GLAMIS FLOSSY HELEN (A.R.F. O.7), Red.**

Bred by Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 4th February, 1956, sire, Calrossie Highland J. & D. P.
 Monarch 386899 MacGillivray
 dam, 412303 Flossy Helena by Cruggleton Guthrie 381896 A. J. Marshall
 g d 335710 Calrossie
 Flossy Lucinda by Cruggleton Pacha 344582 A. J. Marshall
 3 d 275163 Calrossie Flossy Lass by Calrossie Randolph 275440 Capt. MacGillivray

 Landlord 255924 Capt. MacGillivray
 5 d 140709 Calrossie Flossy Nan by Collynie Royal
 Leader 188656 J. Duthie Webster

Served on 21st April, 1957, by Kair Masterkey.

Glamis Flossy Helen is full sister to Glamis Gay Monarch, a member of all the winning groups at Perth in 1955, and sold for 2300 gns. to Williamson Bros., Australia. Flossy Helena is uterine sister to the 4800-gns. Royal Show champion, Calrossie Evening News. Calrossie Flossy Lucinda—sold for 1100 gns. at the Cruggleton Dispersal. This family, which produced Glamis Grand Slam, reserve junior champion at Perth in 1955, and sold for 5500 gns., are consistently good breeders. Calrossie Highland Monarch and Cruggleton Guthrie—see Reference to Sires (D) and (H).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 15 mm.; 72nd hour, 17 mm.

Avian—Initial, 15 mm.; 72nd hour, 16 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 12th September, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)**6** (Vol. 103) **BAPTON AUGUSTA PETULA** (X.O.M. O.20), Red.

Calved 22nd March, 1956,	sire, Calrossie	J. & D. P.
dam, 414884 Bapton	Constellation 396200	MacGillivray
Augusta Palma by Kirkton Hercules	381696	K. P. MacGillivray
g d 376164 Bapton Augusta 47th by Bapton Paragon	369663	J. V. Rank

4 d 222124 Bapton Augusta 20th by Cluny Edgar		
	Command 289484	Mrs. B. L. Gordon
5 d 125562 Bapton Augusta 6th by Bapton Merry Lad	220862	Sir Cecil Chubb

Served on 7th June, 1957, by Bapton Northward Bound.

The Calrossie Constellation and Kirkton Hercules cross is proving very successful. This heifer comes of this grand old Bapton family which, throughout the years, has been one of the most successful, and has produced such famous Show animals as Bapton Augusta 6th, Bapton Augusta 11th, and Bapton Augusta 13th, unbeaten champions in their day. Butterfly Prince was got by Lawton Field Marshal, the sire of Kirkton Baronet, and he proved a good breeder at Bapton. Calrossie Constellation, Kirkton Hercules, and Bapton Paragon—see Reference to Sires (G), (A), and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian—Initial, 8 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th October, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/40.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)**7** (Vol. 103) **BAPTON ALICE ACTRESS** (X.O.M. O.24), White.

Calved 27th March, 1956,	sire, Kirkton Hercules	381696	K. P. MacGillivray
dam, 338532 Bapton Actress 24th	by Glastullich Pay Day	344292	Wm. MacGillivray
g d 277265 Bapton Actress 14th	by Lawton Alfred	308477	Wm. Henderson
3 d 252728 Bapton Actress 8th	by Bapton Air Pilot	298495	J. V. Rank
4 d 191608 Bapton Actress 3rd	by Calrossie Air		
5 d 135611 Bapton Diamond	Control 268880	Capt. MacGillivray	
	Actress by Balcairn Outram	234855	F. L. Wallace

Served on 2nd August, 1957, by Tradlin Bertie.

Bapton Alice Actress is full sister to Bapton Control, 1st prize winner at Perth in 1953, and sold for 3800 gns. to Mr. James Schofield for La-Candelaria, where he is breeding very well, his sons being among the top winners at Palermo last year. This Actress family has proven one of the most famous in the Bapton Herd. They have produced such well-known stock bulls as Bapton Upright and Bapton Battleship, used with great success at Pittodrie and Beaufort respectively. Kirkton Hercules and Glastullich Pay Day—see Reference to Sires (A) and (Z).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 7 mm.; 72nd hour, 8 mm.

Avian—Initial, 7 mm.; 72nd hour, 8 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th October, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

8 GLAMIS PRINCESS MINA (A.R.F. O.3), Red Roan.

Bred by Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 17th January, 1956, sire, Calrossie Highland J. & D. P.
 dam, 303835 Princess Nina by Cruggleton Annexe 328335 A. J. Marshall

 dam, 426830 Cluny

Augusta Christobel by Aldie Crown Adonis 386872 F. MacGillivray
 g d 387872 Cluny

Augusta Christine by Chapelton Crusader 348430 W. Biggar & Son
 3 d 331582 Cluny Augusta Meg by Ballechin Rodney 327093 R. W. Honeyman
 4 d 228399 Cluny Augusta 70th by Calrossie Silver

King 290892 Capt. MacGillivray
 5 d 158066 Cluny Augusta 40th by Bruiach Ian 214009 Wm. MacGillivray

Served on 13th May, 1957, by Chapelton Commando.

This is a double-bred Cluny Augusta, Cluny Adventure, by the 4000-gns. Cruggleton Godwin out of Cluny Augusta Dora by Ballechin Rodney. Cluny Augusta Christobel, one of the best females in the Cluny Herd. Her dam was full sister to Cluny Augusta Melissa, winner of 1st prize and female champion at Perth in 1952, and sold to Mr. R. Bryce, Westwood, for 1200 gns. Aldie Crown Adonis is by the 5000-gns. Calrossie Adonis. Chapelton Crusader, a well-known champion in his day, left many outstanding females in the Cluny Herd.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian— Initial, 8 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 23rd September, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/80.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

3 d 222131 Bapton Jilt 9th	by Bapton Air Control 285606	J. V. Rank
4 d 181480 Bapton Jilt 3rd	by Bapton Crocus	
	Leader 268277	Bapton Short. Co.
5 d 135613 Bapton Jilt	by Bapton Boxing Day 228073	Sir Cecil Chubb

Served on 10th August, 1957, by Tradlin Bertie.

This heifer comes of a very highly-prized, old Bapton family. We are retaining her dam and two full sisters. Her dam is one of Kirkton Hercules' best daughters. Bapton Jilt 14th, dam of Bapton Jilt 23rd, sold to Sir Rupert Clarke, Australia, and whose son, Bolinda Cupbearer, is a well-known bull in Australia to-day. Note the heavy concentration of Calrossie Ringleader, Calrossie Air Control, Kirkton Baronet, and Calrossie Welcome blood in this pedigree. Calrossie Constellation, Kirkton Hercules, and Bapton Air Pilot—see Reference to Sires (G), (A), and (E).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 6 mm.; 72nd hour, 7 mm.

Avian— Initial, 6 mm.; 72nd hour, 7 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th November, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

5 d 76458 Rothes Queen 7th	by Naemoor Cock	
	Robin 157946	J. J. Moubray

Served on 11th August, 1957, by Kair Masterkey.

Glamis Rothes Julita is full sister to Glamis Rothes Knight, supreme champion at Aberdeen in 1955, sold for 1600 gns. to Australia, and uterine sister to Kirkton Benefactor, junior champion at Perth in 1945; Kirkton Dictator, Mr. Frank Hood's famous stock bull in Australia; and Kirkton Grandee, used at Kirkton and Phopachy. Rothes Queen Juliet was the favourite cow at Kirkton, and cost 920 gns. when nine years old. Bapton Controller, this year's Perth champion, is descended from Rothes Queen Juliet. Calrossie Highland Monarch and Calrossie Endeavour—see Reference to Sires (D) and (T).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 13 mm.

Avian— Initial, 11 mm.; 72nd hour, 13 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 12th September, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

12 (Vol. 103) **BAPTON QUEEN ALEXIS** (X.O.M. O.45), Red Roan.

Calved 4th May, 1956, sire, Calrossie
 Constellation 396200 J. & D. P.
 dam, 262665 Phopachy by Lawton Field MacGillivray
 Queen Anne Marshal 314137 Wm. Henderson

 Broadhooks Bounty 284416 Capt. MacGillivray
 3 d 200032 Roth's Queen Tansy by Calrossie Grand
 Parade 268894 Capt. MacGillivray
 4 d 150474 Roth's Queen Mary by Royal Demand 240021 K. P. MacGillivray
 5 d 76458 Roth's Queen 7th by Naemoor Cock
 Robin 157946 J. J. Moubray

Served on 1st August, 1957, by Bapton Northward Bound.

Bapton Queen Alexis is uterine sister to Roth's Queen Anita, purchased for a high figure from Miss MacGillivray. Phopachy Queen Anne is a full sister to the dam of Phopachy Hopscotch, who is breeding so well in the Argentine. Lawton Field Marshal was one of the greatest sires of all time. This famous family has produced many outstanding bulls, such as Kirkton Hercules, Erimus Emeritus, Phopachy Hopscotch, Calrossie Hyperbole, Bapton Balmoral, and many others. Note the outstanding list of sires in this pedigree. Calrossie Constellation—see Reference to Sires (G).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 6 mm.; 72nd hour, 6 mm.

Avian—Initial, 6 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th November, 1956.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

 5 d 169781 Calrossie by Calrossie Roth's
 Doris Broadhooks Baronet 249385 Capt. MacGillivray

Served on 1st July, 1957, by Kair Masterkey.

Glamis Hermosa Broadhooks is full sister to Glamis Grand Monarch, sold in Argentina for 90,000 pesos, and uterine sister to Calrossie Classic 1100 gns., and Calrossie Heather Broadhooks, dam of Glamis Double Dash, a member of all the winning groups at Perth in 1955, and sold for 2200 gns. to Lawton. Calrossie Hilary Broadhooks is full sister to Calrossie Baronet (3000 gns.), while her dam, Calrossie Honora Broadhooks, is the well-known Calrossie show cow. Note the sires. Calrossie Highland Monarch and Kirkton Baronet—see Reference to Sires (D) and (F).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 13 mm.

Avian—Initial, 11 mm.; 72nd hour, 13 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 3rd December, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/20.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

YEARLING HEIFERS

(NOT IN CALF)

Since several Overseas Breeders have shown a desire for Heifers not in calf, the following eight Heifers are warranted not in calf.

Should the Purchasers so desire, these Heifers can be retained and served by any Stock Bull in the respective Herds from which they come, and guaranteed in calf before delivery.

(BAPTON)

14

(Vol. 103) **CLIPPER KAREN** (C.N.E. O.2), White.

Bred by Mrs. N. C. Cormack, Hillhead, Pitfodels, Aberdeenshire.

Calved 20th February, 1956,	sire, Calrossie Ceremony 386888 J. & D. P.	
		MacGillivray
dam, 328978 Clipper Kelsay	by Kirkton Diamond 352929 K. P. MacGillivray

	Royal 299076 R. L. Smith	
5 d 204705 Coronet	by Collynie Silver	
	Bullet 275933 J. Duthie Webster	

The Notice on this page applies to this heifer.

Calrossie Ceremony is a son of the renowned Calrossie Welcome, and his dam, Calrossie Broadhooks Beauty, is the dam of Calrossie Pibroch, 1st prize winner and reserve supreme champion at Perth in 1948, being sold for the top price of 6000 guineas to Señor Enrique Santamarina, Argentina, in whose herd he has been an outstanding success, having sired a Palermo champion. Calrossie Broadhooks Beauty is also the dam of the 2000-guineas Calrossie Discovery. Clipper Kelsay is a grand, dark roan cow, and her sire, Kirkton Diamond, is by the renowned Kirkton Baronet.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 7 mm.; 72nd hour, 8 mm.

Avian— Initial, 7 mm.; 72nd hour, 8 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 28th August, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/80.

Passed Complement Fixation Test for John's Disease on 9th Sept., 1957.

(GLAMIS)

15

GLAMIS FLOSSY MARION (A.R.F. O.1), Red.

Bred by Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 3rd January, 1956,	sire, Calrossie Highland	
dam, 411961 Calrossie	Monarch	386899 J. & D. P.
	Flossy Maggie by Calrossie Highland	MacGillivray
g d 262682 Calrossie	Pride	375429 J. & D. P.
	Flossy Marjory by Lawton President	MacGillivray
3 d 200026 Calrossie	Roosevelt	308482 Wm. Henderson

	Flossy Madge 2nd by Calrossie Control	255913 Capt. MacGillivray
5 d 130746 Calrossie Eileen Lass	by Aldie Marshal	227626 F. MacGillivray

The Notice on Page 14 applies to this heifer.

Calrossie Flossy Maggie, one of the best breeding cows in the Herd, is uterine sister to Calrossie Marie Floss, dam of Calrossie Highland Welcome, used with outstanding success at Glastullich, and Calrossie Flossy Monica, probably the best female at Calrossie to-day, and dam of an outstanding bull calf this year. Glamis Flossy Marion is full sister to Glamis Flossy Madge, dam of a good bull calf retained in the Herd. This Floss family has a remarkable record. Calrossie Highland Monarch and Calrossie Highland Pride—see Reference to Sires (D) and (B).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 12 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 3rd July, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/40.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

16

GLAMIS FLOSSY BEAUTY (A.R.F. O.2), Red.

Bred by Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 10th January, 1956,	sire, Calrossie Highland	J. & D. P.
dam, 392463 Calrossie	Monarch 386899	MacGillivray
	Flossy Beatrice by Calrossie Highland	J. & D. P.
g d 303417 Calrossie	Pride 375429	MacGillivray
	Flossy Beauty by Kirkton Baronet 335904	K. P. MacGillivray

	Landlord 255924	Capt. MacGillivray
5 d 140709 Calrossie Flossy Nan by Collynie Royal		
	Leader 188656	J. Duthie Webster

The Notice on Page 14 applies to this heifer.

Glamis Flossy Beauty is full sister to (1) Glamis Flossy Betty, an outstanding young cow retained in the Herd, and dam of Glamis Budget, 2nd in his class at Perth this year, and sold for 2500 gns.; and (2) Glamis Bold Monarch, sold in Argentina for 85,000 pesos. Calrossie Flossy Beatrice is uterine sister to Calrossie Storm Centre, 1700-gns. Calrossie Highland Monarch, Calrossie Highland Pride, Kirkton Baronet, and Calrossie Randolph (see Reference to Sires (D), (B), (F), and (N)). This line of sires and dams is worthy of attention.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 11 mm.

Avian—Initial, 7 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 3rd July, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/40.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

19

MILLHILLS GOLDIE 5th (S.T.M. O.74), Dark Roan.

Bred by Messrs. D. M. Stewart, Ltd., Millhills, Crieff, Perthshire.

Calved 25th August, 1956, sire, Banchory Metaphor 369 H. S. Black
 dam, 16521 Millhills Goldie 4th by Millhills Kitchener 393077 D. M. Stewart
 g d 378455 Millhills Goldie 3rd by Kinsman 333726 J. H. Fraser
 3 d 278786 Millhills Goldie by Collynie Elect 286949 J. Duthie Webster
 4 d 191341 Letham Goldie 4th by Naemoor Jasper 217761 J. J. Moubray
 5 d 77319 Doune Goldie 10th by Calrossie Clipper
 Captivator 188122 Capt. MacGillivray

The Notice on Page 14 applies to this heifer.

This Goldie family bred very well at Millhills. They trace back to the Doune Goldies that produced the famous Lawton Jamie, used so successfully at Lawton. Banchory Metaphor (sire, the famous Banchory stock bull, Bapton Eldorado—see Reference to Sires (V)) was purchased for the Millhills Herd at 2900 gns., and was sold at the Dispersal last October, for 3500 gns. to Mr. James Barron for his Findowie Herd. Millhills Kitchener is sired by the good breeding bull, Calrossie Highland Leader (by Kirkton Baronet); dam, Scottish Buttercup 45th by Ascreavie Democrat.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 13 mm.

Avian— Initial, 11 mm.; 72nd hour, 13 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

20 (Vol. 103) **BAPTON AUGUSTA ADA** (X.O.M. O.54), Dark Roan.

Calved 26th October, 1956, sire, Bapton Constructor 6414 Cecil Moores
dam, 373469 Drummondreach

	Augusta 3rd	by Lawton Calibar	367159	Major Henderson
g d 208015	Cluny Augusta 58th	by Calrossie Command	275428	Capt. MacGillivray
3 d 146561	Cluny Augusta 35th	by Glastullich Sirdar	237378	Wm. MacGillivray
4 d 71720	Cluny Augusta 21st	by Brawith Chieftain	187661	K. P. MacGillivray
5 d Cluny Augusta 12th		by President of		

The Mint 109670 D. M. Stewart

The Notice on Page 14 applies to this heifer.

Bapton Augusta Ada is the first calf sired by the record-priced, 15,000-gns. Bapton Constructor. Drummondreach Augusta 3rd was female champion at Perth in 1951, and was purchased for the Bapton Herd at 1000 gns. Her first bull calf, Bapton Comet, by Kirkton Hercules, was sold to Mr. Peter Gammie in 1953 for 560 gns., and re-sold in the Argentine for £2000. Lawton Calibar is a grandson of the well-known Calrossie Randolph bull, Calrossie High Finance, used with great success in the Kinellar Herd. Bapton Constructor—see Reference to Sires (C).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 6 mm.; 72nd hour, 6 mm.

Avian—Initial, 6 mm.; 72nd hour, 6 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

21 (Vol. 103) **BAPTON AUGUSTA NANETTE** (X.O.M. O.51), Red Roan.

Calved 8th October, 1956, sire, Bapton Cup Final 2592 Cecil Moores
dam, 376162 Bapton

	Augusta 45th	by Bapton Carry-On	262483	J. V. Rank
g d 222123	Bapton Augusta 19th	by Bapton Air		
		Commander	285605	J. V. Rank
3 d 164839	Bapton Augusta 11th	by Calrossie Ringleader	235690	Capt. MacGillivray
4 d 125562	Bapton Augusta 6th	by Bapton Merry Lad	220862	Sir Cecil Chubb
5 d 95196	Bapton Augusta 3rd	by Roan Robin	202241	R. A. Smith

The Notice on Page 14 applies to this heifer.

Bapton Augusta Nanette is uterine sister to Bapton Augusta Nonie, who is being retained in the Herd. In 1953, she won the junior yearling class at the Highland and Royal Shows, and her first two sons, Bapton Champagne and Bapton Cognac, have been sold to New Zealand and Argentina for 2500 gns. and 3500 gns. respectively. Bapton Augusta 45th is an excellent breeder. Bapton Augusta 19th was an outstanding daughter of the famous Show cow, Bapton Augusta 11th. Bapton Cup Final is by Kirkton Hercules. Bapton Carry-On—see Reference to Sires (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 6 mm.; 72nd hour, 6 mm.

Avian—Initial, 6 mm.; 72nd hour, 6 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

HEIFER CALVES

Robin 255311 Bapton Short. Co.

It is only because we have got an outstanding sister by Calrossie Constellation that we are putting this female in the Sale. Her dam is one of the best females in the Herd, and comes of this famous old Bapton family. Bapton Crocus 68th, the 59th, the 48th, and the 29th were all well-known Show females. Kindly study this pedigree, as it contains the blood of practically all the outstanding sires of recent years. Bapton Constructor, Kirkton Hercules, and Bapton Air Pilot—see Reference to Sires (C), (A), and (E).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 5 mm.; 72nd hour, 6 mm.

Avian— Initial, 5 mm.; 72nd hour, 6 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for John's Disease on 9th Sept., 1957.

(GLAMIS)

23 GLAMIS FLOSSY MARY (A.R.F. P.9), Red Roan.

Calved 3rd February, 1957,	sire, Kair Masterkey	4176 G. J. C. Anderson
dam, 411961 Calrossie		
	Flossy Maggie by Calrossie Highland	
g d 262682 Calrossie	Pride 375429 J. & D. P.	
	Flossy Marjory by Lawton President	MacGillivray
3 d 200026 Calrossie	Roosevelt 308482 Wm. Henderson	
	Flossy Margaret by Broommount	
4 d 179808 Calrossie	Pipe-Major 275290 T. & R. Hayes	
	Flossy Madge 2nd by Calrossie Control	255913 Capt. MacGillivray
5 d 130746 Calrossie Eileen Lass	by Aldie Marshal	227626 F. MacGillivray

Calrossie Flossy Maggie, one of the best breeding cows in the Herd, is uterine sister to Calrossie Marie Floss, dam of Calrossie Highland Welcome, used with outstanding success at Glastullich, and Calrossie Flossy Monica, probably the best female at Calrossie to-day, and dam of an outstanding bull calf this year. Glamis Flossy Mary is uterine sister to Glamis Flossy Madge, a really outstanding young cow retained in the Herd. This Calrossie Floss family has a remarkable record. Kair Masterkey and Calrossie Highland Pride—see Reference to Sires (J) and (B).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 8 mm.

Avian— Initial, 8 mm.; 72nd hour, 8 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for John's Disease on 9th Sept., 1957.

24 (Vol. 104) **BAPTON FLOSSY YOLANDE** (X.O.M. P.5), Red Roan.

Calved 12th January, 1957,	sire, Pittodrie Noah	7124 R. L. Smith
dam, 422124 Westdrums		
	Flossy Lisbeth by Erimus Emeritus	376552 R. S. de Q. Quincey
g d 383140 Westdrums		J. & D. P.
	Flossy Louella by Calrossie Cupbearer	352903 MacGillivray
3 d 335709 Calrossie Flossy Linda	by Cruggleton Pacha	344582 A. J. Marshall
4 d 220418 Calrossie		
	Flossy Louisa by Calrossie Randolph	275440 Capt. MacGillivray
5 d 179807 Calrossie Flossy Lizzie	by Calrossie Rosewood	
	Landlord 255924	Capt. MacGillivray

This heifer comes of a grand line of this famous Floss family, going back to Calrossie Flossy Louisa, for many years the favourite cow at Calrossie. Pittodrie Noah, by Cruggleton Raeside, won 2nd prize at Perth in 1956, and was purchased by Mr. Watt Taylor for 5000 gns. He is a full brother to Pittodrie Kano—see Reference to Sires (U). Westdrums Flossy Lisbeth was purchased, along with her dam, from Messrs. Boots. Her sire, Erimus Emeritus has been an outstanding success in the Westdrums Herd. His females are outstanding.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 5 mm.; 72nd hour, 6 mm.

Avian—Initial, 5 mm.; 72nd hour, 6 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

25 **GLAMIS BIDDY BROADHOOKS** (A.R.F. P.2), Red.

Calved 6th January, 1957,	sire, Calrossie Highland	J. & D. P.
dam, 411956 Calrossie	Monarch 386899	MacGillivray
	Bridget Broadhooks by Calrossie Highland	J. & D. P.

 Wedding 286229 Sir W. M. Snadden
 5 d 190112 Eliza Mary by Cruggleton
 Chronicle 243300 A. J. Marshall

Bapton Eliza Lynette's full sister, Bapton Eliza Jane, one year older, is being retained in the Herd, and is one of Calrossie Constellation's best females. Bapton Eliza 17th is a good breeding daughter of the well-known Show cow, Beaufort Eliza Margaret. This family was very successful in the late Mr. A. J. Marshall's Cruggleton Herd. Bapton President won 2nd prize at Perth in 1947. Later, he was exported to Major Powell in the Argentine, where he proved an outstanding sire. Calrossie Constellation and Bapton Battleship—see Reference to Sires (**G**) and (**Q**).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 5 mm.; 72nd hour, 6 mm.

Avian— Initial, 5 mm.; 72nd hour, 6 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

27 **GLAMIS ROTHES JOYCE** (A.R.F. P.5), Red Roan.

Calved 15th January, 1957, sire, Kair Masterkey 4176 G. J. C. Anderson
 dam, 400907 Glamis Roth's Jean by Kirkton Baronet 335904 K. P. MacGillivray

5 d 250941 Calrossie	by Harviestoun	
	Ramsden Miranda Golden Glory 303224	J. E. Kerr

Bapton Rona Ramsden is an outstanding two-year-old heifer of this well-known Calrossie family. Ramsden Mary was the top-price female at the Kirkton Dispersal Sale in 1951. Her two-year-old heifer by Calrossie Constellation, Bapton Ramsden Julitha, is in our Show team this season. This family at Calrossie produced the 1935 Perth champion, Calrossie Royal Archer, and later, Calrossie Ramsden Baronet, one of the best breeding bulls in the Argentine to-day. Kair Masterkey, Calrossie Constellation, Bapton Ringleader, and Kirkton Baronet—see Reference to Sires (J), (G), (X), and (F).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 5 mm.

Avian—Initial, 4 mm.; 72nd hour, 7 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)**29** **GLAMIS BELLA BROADHOOKS** (A.R.F. P.13), Red Roan.

Calved 9th February, 1957, sire, Kair Masterkey 4176 G. J. C. Anderson
dam, 20010 Glamis

	Brenda Broadhooks by Calrossie Highland	J. & D. P.
g d 411956 Calrossie	Monarch 386899	MacGillivray
	Bridget Broadhooks by Calrossie Highland	J. & D. P.
3 d 303405 Calrossie	Welcome 375430	MacGillivray

5 d 189805 Calrossie		
	Netta Broadhooks by Letham Indus 264894	J. Piper

Glamis Brenda Broadhooks is an outstanding young cow retained in the Herd. Calrossie Bridget Broadhooks, a really good breeding cow, is uterine sister to Calrossie Broadhooks Beres, sold at the Calrossie Draft Sale for 1500 gns. to the Bapton Herd. Kair Masterkey and Calrossie Highland Monarch—see Reference to Sires (J) and (D). Calrossie Highland Welcome sired many high-priced and good breeding bulls at Glastullich. The breeding record of this famous Calrossie Broadhooks family, over a long period of years, is outstanding, their successes are too numerous to record.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 9 mm.

Avian—Initial, 7 mm.; 72nd hour, 8 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

30

(Vol. 104) **BAPTON JUANITA JILT** (X.O.M. P.24), Red.

Calved 13th March, 1957, dam, 31834 Bapton Juno Jilt	sire, Kair Masterkey by Calrossie	4176 G. J. C. Anderson J. & D. P. Constellation 396200 MacGillivray
g d 414891 Bapton Joyful Jilt	by Kirkton Hercules	381696 K. P. MacGillivray
3 d 242116 Bapton Jilt 14th	by Bapton Air Pilot	298495 J. V. Rank
4 d 222131 Bapton Jilt 9th	by Bapton Air Control	285606 J. V. Rank
5 d 181480 Bapton Jilt 3rd	by Bapton Crocus	
		Leader 268277 Bapton Short. Co.

Bapton Juno Jilt is an outstanding two-year-old heifer. This is her first calf. Both Bapton Juno Jilt and Bapton Joyful Jilt are being retained in the Herd. This is one of the oldest Bapton families. Bapton Jilt 14th is the dam of Bapton Jilt 23rd, sold to Sir Rupert Clarke, Australia, and whose son, Bolinda Cupbearer, is a well-known bull in Australia to-day. Note the outstanding sires in this pedigree. Kair Masterkey, Calrossie Constellation, Kirkton Hercules, and Bapton Air Pilot—see Reference to Sires (**J**), (**G**), (**A**), and (**E**).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 4 mm.

Avian— Initial, 4 mm.; 72nd hour, 4 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

31

GLAMIS LADY BROADHOOKS (A.R.F. P.11), White.

Calved 8th February, 1957, dam, 26432 Cluny Lady	sire, Bapton Forevermore	2598 Cecil Moores
	Broadhooks 20th by Cluny Adventure	390543 Mrs. B. L. Gordon
g d 368757 Cluny Lady	Broadhooks 15th by Chapelton Crusader	348430 W. Biggar & Son
3 d 248526 Cluny Lady	Broadhooks 11th by Calrossie Souvenir	303645 Capt. MacGillivray
4 d 126710 Cluny Lady	Broadhooks 4th by Brawith Chieftain	187661 K. P. MacGillivray
5 d 34511 Cluny Lady	by President of the	
	Broadhooks	Mint 109670 D. M. Stewart

The sire and dam of Cluny Lady Broadhooks 20th were joint winners of the Bullrich Cup (for the best pair of Shorthorns bred by exhibitor) at the Royal Show at Blackpool in 1953. Bapton Forevermore—sire, Kirkton Hercules (see Reference to Sires (**A**)); dam, Millhills Eliza 2nd, female champion at Perth in 1945, sold for 1700 gns. Cluny Adventure—sire, the 4000-gns. Cruggleton Godwin by Cruggleton Braemar; dam, Cluny Augusta Dora by the Perth champion, Ballechin Rodney. Chapelton Crusader and Calrossie Souvenir were outstanding bulls of their time at Cluny.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 12 mm.

Avian— Initial, 10 mm.; 72nd hour, 12 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

32 **BAPTON ELSIE BUTTERFLY** (X.O.M. P.28), Red Roan.

Calved 15th March, 1957,	sire, Calrossie	J. & D. P.
	Constellation 396200	MacGillivray
dam, 376171 Bapton Butterfly 2nd by Bapton Paragon	369663 J. V. Rank	
g d 268427 Aikbank Butterfly 2nd by Ballechin Clipper		
3 d 229116 Balthayock	Chief 290092 R. W. Honeyman	
	Butterfly 17th by Cluny Brave	
4 d 188261 Balthayock	Command 289476 Mrs. B. L. Gordon	
	Butterfly 12th by Calrossie Grand	
5 d 149144 Balthayock	National 268893 Capt. MacGillivray	
	Butterfly 7th by Kinellar Matador 245155 Syl. Campbell	

Bapton Butterfly 2nd has proved a very good breeder. She is the dam of Bapton Silver Dollar and Bapton River Line. The latter won 1st prize at Perth in 1954, and sold to Major Henderson, Lawton, where he is breeding extremely well. An outstanding daughter, full sister to Bapton Silver Dollar, is being retained in the Herd. This line of the Butterfly family has produced many notable stock bulls in recent years, including Crugleton Braemar. Cluny Brave Command (by Calrossie Command) was champion at Perth in 1938. Calrossie Constellation and Bapton Paragon—see Reference to Sires (G) and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 5 mm.

Avian— Initial, 4 mm.; 72nd hour, 5 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for John's Disease on 9th Sept., 1957.

(BAPTON)

33 (Vol. 104) **BAPTON ROTHES CARRIE** (X.O.M. P.51), Dark Roan.

Calved 30th April, 1957,	sire, Millhills Jasper	388355 D. M. Stewart
dam, 288643 Roth's Charlotte	by Kirkton Air Raid	328077 K. P. MacGillivray
g d 179836 Roth's Rona	by Calrossie Officer	
	Commanding 221735	Capt. MacGillivray
3 d 160080 Roth's Roma	by Glastullich Barnone	250977 Wm. MacGillivray
4 d 99287 Roth's Lady	by Royal Fancy	211094 K. P. MacGillivray
5 d 51872 Roth's Queen 5th	by White Prince	168014 Mrs. Stewart

Roth's Charlotte, one of the best breeding females from Kirkton, was the grand-dam of Kirkton Hercules, and the dam of the 2000-gns. Kirkton Just Right. Her daughter, Roth's Carlotta (dam of Kirkton Hercules), was one of the top-price females at the Kirkton Dispersal, and was purchased for Louada Manor Farms. Millhills Jasper, a good son of Calrossie Highland Leader, was successfully used for several seasons in the Millhills Herd. Kirkton Air Raid, by the Calrossie Randolph bull, Calrossie Cavalier, was one of the best sires used at Kirkton.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 4 mm.

Avian— Initial, 4 mm.; 72nd hour, 4 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for John's Disease on 9th Sept., 1957.

TWO-YEAR-OLD HEIFERS

(BAPTON)

34 (31821) BAPTON AUGUSTA NOREEN (X.O.M. N.54), Red Roan.

Calved 21st October, 1955, sire, Kirkton Hercules 381696 K. P. MacGillivray
 dam, 376162 Bapton Augusta 45th by Bapton Carry-On 262483 J. V. Rank
 g d 222123 Bapton Augusta 19th by Bapton Air
 Commander 285605 J. V. Rank
 3 d 164839 Bapton Augusta 11th by Calrossie Ringleader 235690 Capt. MacGillivray
 4 d 125562 Bapton Augusta 6th by Bapton Merry Lad 220862 Sir Cecil Chubb
 5 d 95196 Bapton Augusta 3rd by Roan Robin 202241 R. A. Smith

Served on 7th March, 1957, by Bapton Christmastide.

Bapton Augusta Noreen is full sister to Bapton Augusta Nonie, who is being retained in the Herd. In 1953, she won the Junior Yearling Class at the Highland and Royal Shows, and her first two sons, Bapton Champagne and Bapton Cognac, have been sold to New Zealand and Argentina for 2500 gns. and 3500 gns. respectively. Bapton Augusta 45th is an excellent breeder. Bapton Augusta 19th was an outstanding daughter of the famous Show cow, Bapton Augusta 11th. Kirkton Hercules and Bapton Carry-On—see Reference to Sires (A) and (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 8 mm.

Avian— Initial, 8 mm.; 72nd hour, 8 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 20th May, 1956.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/80.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

35 (31850) BAPTON SALLY ACTRESS (X.O.M. N.21), Dark Roan.

Calved 11th March, 1955, sire, Kirkton Hercules 381696 K. P. MacGillivray
 dam, 376161 Bapton Actress 34th by Bapton Paragon 369663 J. V. Rank
 g d 290843 Bapton Actress 16th by Bapton Air Pilot 298495 J. V. Rank

Diamond Actress by Balcairn Outram 234855 F. L. Wallace

Served on 22nd February, 1957, by Bapton Cairnbrogie.

Bapton Sally Actress comes from this famous old Bapton family. Very few females of this line have been sold in this country. They have produced such famous stock bulls as Bapton Upright and Bapton Battleship, used with great success at Pittodrie and Beaufort respectively. Bapton Actress 34th is a grand, thick, dark red, cow, and her dam was full sister to Bapton Uprise, male and reserve supreme champion at the Royal Highland Show, Inverness, in 1948. Kirkton Hercules, Bapton Paragon, and Bapton Air Pilot—see Reference to Sires (A), (Y), and (E).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian— Initial, 8 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 12th October, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

	Rosedene 213883	A. J. Marshall

Served on 28th February, by Bapton Cairnbrogie.

This heifer's dam was sold for export to Mr. T. Ekin, Australia, and she is uterine sister to Bapton Contrast, 1st prize and champion at Aberdeen in 1957, and sold for 1000 gns. to Mr. William Jack for export to Argentina. Calrossie Boxer, by the 3600-gns. Millhills Champion, was full brother to the 5200-gns. Calrossie Knock-Out. This well-known Cruggleton family has produced many outstanding animals in the Beaufort Herd in recent years. including the great Beaufort Bulldozer. Calrossie Constellation and Cruggleton Annexe—see Reference to Sires (G) and (I).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 9 mm.

Avian— Initial, 9 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

38

(20016) **GLAMIS ROTHES JULINA** (A.R.F. N.10), Red.

Bred by Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 11th April, 1955,	sire, Calrossie	Highland		
		Monarch	386899	J. & D. P.
dam, 250961 Rothés Queen Juliet	by Calrossie			MacGillivray

	Robin	255311	Bapton Short. Co.
5 d 125565 Bapton Crocus 16th	by Collynie Viceroy	188660	Wm. Duthie

Served on 12th December, 1956, by Bapton Cairnbrogie.

Bapton Mavis Crocus, a prize-winner at the Royal Highland, the Royal, and Great Yorkshire Shows last year. She also won the reserve Shorthorn championship at the Edinburgh Fat Stock Show. Her uterine sister, Bapton Mary Crocus, who is being retained, had an outstanding Show season in 1954, when she won seven 1st prizes, three supreme championships, two reserve championships, and two reserve female championships, including the Highland and Royal Shows. This Crocus family is perhaps the oldest at Bapton. Kirkton Hercules and Bapton Carry-On—see Reference to Sires (A) and (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 7 mm.; 72nd hour, 8 mm.

Avian—Initial, 7 mm.; 72nd hour, 8 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

40 (31822) **BAPTON AUGUSTA POLLY** (X.O.M. N.39), Red.

Calved 25th April, 1955, sire, Calrossie J. & D. P.
 dam, 414884 Bapton Constellation 396200 MacGillivray
 Augusta Palma by Kirkton Hercules 381696 K. P. MacGillivray
 g d 376164 Bapton Augusta 47th by Bapton Paragon 369663 J. V. Rank
 3 d 290847 Bapton Augusta 34th by Butterfly Prince 326140 J. H. Fraser
 4 d 222124 Bapton Augusta 20th by Cluny Edgar
 Command 289484 Mrs. B. L. Gordon
 5 d 125562 Bapton Augusta 6th by Bapton Merry Lad 220862 Sir Cecil Chubb

Served on 18th February, 1957, by Bapton Northward Bound.

The Calrossie Constellation and Kirkton Hercules cross is proving very successful. This heifer comes of this grand old Bapton family, which, throughout the years, has been one of the most successful, and has produced such famous Show animals as Bapton Augusta 6th, Bapton Augusta 11th, and Bapton Augusta 13th, unbeaten champions in their day. Butterfly Prince was got by Lawton Field Marshal, the sire of Kirkton Baronet, and he proved a good breeder at Bapton. Calrossie Constellation, Kirkton Hercules, and Bapton Paragon—see Reference to Sires (G), (A), and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian— Initial, 8 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

41 (31829) **BAPTON ELLEN ACTRESS** (X.O.M. N.42), Dark Roan.

Calved 5th May, 1955, sire, Kirkton Hercules 381696 K. P. MacGillivray
 dam, 338532 Bapton Actress 24th by Glastullich Pay Day 344292 Wm. MacGillivray
 g d 277265 Bapton Actress 14th by Lawton Alfred 308477 Wm. Henderson
 3 d 252728 Bapton Actress 8th by Bapton Air Pilot 298495 J. V. Rank
 4 d 191608 Bapton Actress 3rd by Calrossie
 5 d 135611 Bapton Air Control 268880 Capt. MacGillivray
 Diamond Actress by Balcairn Outram 234855 F. L. Wallace

Served on 13th February, 1957, by Calrossie Constellation.

Bapton Ellen Actress, full sister to Bapton Control, 1st prize winner at Perth in 1953, and sold for 3800 gns. to Mr. James Schofield for La-Candelaria, where he is breeding very well, his sons being among the top winners at Palermo last year. This Actress family has proven one of the most famous in the Bapton Herd. They have produced such well-known stock bulls as Bapton Upright and Bapton Battleship, used with great success at Pittodrie and Beaufort respectively. Kirkton Hercules and Glastullich Pay Day—see Reference to Sires (A) and (Z).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 10 mm.

Avian— Initial, 10 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

COWS

(BAPTON)

42

(36020) **MILLHILLS QUEEN 13th** (S.T.M. N.8), White.

Bred by the late Mr. D. M. Stewart, Millhills, Crieff.

Calved 7th February, 1955,	sire, Marden Egmont	395241	Sir P. Greenwell
dam, 397619 Millhills Queen 11th	by Calrossie Highland		J. & D. P.

4 d 181297 Letham			
	Roths Queen 2nd by Letham Founder	245372	J. Piper
5 d 124266 Balcairn Queen	by Balcairn Royal		
	Chieftain	213126	F. L. Wallace

Served on 5th June, 1957, by Calrossie Constellation.

Millhills Queen 13th was purchased for 800 gns. at the Millhills Sale in 1955. Her bull calf this year, Bapton Compositor, by Calrossie Constellation, is one of our very best. Her dam is one of the great Calrossie Highland Leader's best daughters. Both she and her Bapton Balmoral daughter are being retained in the Herd. Calrossie Highland Leader, one of Kirkton Baronet's best sons, was the sire of Balbithan Highland Leader, champion at Perth in 1951. Another daughter, Fair Clipper 45th, exhibited from Bapton last year, was the undefeated female in Britain.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 10 mm.

Avian— Initial, 9 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 9th September, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

 5 d 85299 Saltoun Pearl by Calrossie
 Rangefinder 197002 Capt. MacGillivray

Served on 5th July, 1957, by Calrossie Good News.

This is the only female of this family we are selling. Her bull calf this year, Bapton Budget News, by Calrossie Good News, shows great promise. Calrossie Lilian Pauline, uterine sister to the great Calrossie Cupbearer, was purchased at the Calrossie Draft Sale in 1950 for 1300 gns., when eight years old. This family at Calrossie produced Calrossie Pauline Pearl, female champion at the Highland in 1950, and she in turn produced the two well-known bulls, Calrossie Highland Pride and Calrossie Ocean Wave. Calrossie Constellation—see Reference to Sires (G).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian— Initial, 8 mm.; 72nd hour, 11 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

46 (31845) **BAPTON ROBINA BUTTERFLY** (X.O.M. N.30), Red Roan.

Calved 2nd April, 1955, sire, Kirkton Hercules 381696 K. P. MacGillivray
 dam, 376171 Bapton Butterfly 2nd by Bapton Paragon 369663 J. V. Rank
 g d 268427 Aikbank Butterfly 2nd by Ballechin Clipper
 3 d 229116 Balthayock Chief 290092 R. W. Honeyman

 4 d 188261 Balthayock Command 289476 Mrs. B. L. Gordon
 Butterfly 12th by Calrossie Grand
 5 d 149144 Balthayock National 268893 Capt. MacGillivray
 Butterfly 7th by Kinellar Matador 245155 Syl. Campbell

Served on 7th June, 1957, by Bapton Northward Bound.

Bapton Robina Butterfly is the dam of a very good heifer calf by Bapton Northward Bound, which is being retained. Bapton Butterfly 2nd has been an excellent breeder. She is the dam of Bapton Silver Dollar and Bapton River Line. The latter won 1st prize at Perth in 1954, and was sold to Major P. Henderson, Lawton. This branch of the famous Butterfly family has produced many notable stock bulls in recent years, including Calrossie Grand National and Cruggleton Braemar. Kirkton Hercules and Bapton Paragon—see Reference to Sires (A) and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 9 mm.

Avian— Initial, 8 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 27th November, 1955.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/20.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)**47** (31828) **BAPTON ELIZA KAY** (X.O.M. N.8), Red Roan.

Calved 8th February, 1955,	sire, Pittodrie Kano	392434	R. L. Smith
dam, 266041 Millhills Eliza 2nd	by Kilkea Fury	317671	R. K. Wright
g d 243226 Millhills Eliza	by Millhills Uppermost	299206	D. M. Stewart
3 d 218803 Lawton Eliza Jane	by Collynie State		
	Express	286968	J. Duthie Webster

5 d 168287 Lawton Eliza 3rd	by Balcairn Mentor	227878	F. L. Wallace

Served on 16th May, 1957, by Chapelton Commando.

Millhills Eliza 2nd won 1st prize and female championship at Perth in 1945, and was purchased by the late Mr. J. V. Rank at 1700 gns. for Bapton. She was an outstanding breeder. In her lifetime, she produced bulls which sold to aggregate over £12,000. She was closely related to Lawton Field Marshal, the sire of the great Kirkton Baronet. Kilkea Fury, by Royal Northern, won the supreme championship at the Royal Dublin Society's Show, and was purchased for the Millhills Herd for 1000 gns. Pittodrie Kano—see Reference to Sires (U).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 10 mm.

Avian— Initial, 9 mm.; 72nd hour, 11 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19) on 30th August, 1955.

Agglutination Test for Contagious Abortion on 9th September, 1957—1/20.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

48 Her Heifer Calf, **BAPTON ELIZA PEARL** (X.O.M. P.33), white, calved 22nd March, 1957—sire, Glastullich Paragon (6178).

Glastullich Paragon, dark roan, stock bull in Mr. John Sleigh's Tolquhon Herd is one of Calrossie Hyperbole's best sons. His dam was got by Calrossie Highland Welcome.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 4 mm.

Avian— Initial, 4 mm.; 72nd hour, 4 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

49

GLAMIS FLOSSY MADGE (A.R.F. M.2), Red.

Bred by Mr. Robert M. Adam, Newhouse of Glamis, Glamis, Angus.

Calved 21st January, 1954,	sire, Calrossie Highland	
dam, 411961 Calrossie		Monarch 386899 J. & D. P.
	Flossy Maggie by Calrossie Highland	MacGillivray
g d 262682 Calrossie		Pride 375429 J. & D. P.
	Flossy Marjory by Lawton President	MacGillivray

		Endeavour 297338 Capt. MacGillivray
4 d 169807 Rosewood Romona	by Glastullich Barnone	250977 Wm. MacGillivray
5 d 99286 Rosewood Beauty 2nd	by Royal Fancy	211094 K. P. MacGillivray

Served on 4th July, 1957, by Bapton Northward Bound.

This heifer's dam is sister to Kirkton Emblem, used with such success in Messrs. Santamarina's Herds in Argentina. In 1953, he sired the senior and supreme champion at Palermo, and his progeny won all the group prizes. Naemoor Marshal was the sire of Kirkton Envoy, and he in turn sired the 6600-gns. Lawton Nelson, who is breeding so well in Señor Duggan's Sittyton Herd in Argentina. Naemoor Marshal's daughters have produced such famous bulls as Kirkton Hercules, Calrossie Hyperbole, and Calrossie Christmas Carol. Pittodrie Kano—see Reference to Sires (U).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 10 mm.

Avian—Initial, 9 mm.; 72nd hour, 12 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

51

(423877) **CLIPPER CAROLYN** (C.N.E. L.4), Roan.

Bred by Mrs. N. C. Cormack, Hillhead, Pitfodels, Aberdeenshire.

Calved 5th July, 1953,	sire, Bapton Enterprise	387760 J. V. Rank
dam, 365729 Clipper Clancy	by Kirkton Diamond	352929 K. P. MacGillivray
g d 270505 Clipper Clover	by Calrossie	
	Reconnaissance	315171 Capt. MacGillivray
3 d 246874 Clipper Clove	by Pittodrie King	
	Royal	299076 R. L. Smith
4 d 204705 Coronet	by Collynie Silver	
	Bullet	275933 J. Duthie Webster
5 d 125302 Clove	by Proud Archer	210559 Sir J. Gilmour

Served on 3rd August, 1957, by Calrossie Constellation.

Bapton Enterprise (by the 3600-guineas Aldie Red Gauntlet out of the 1600-guineas Calrossie Augusta Laura by Calrossie Cupbearer) was sold for £12,000 in Argentina in 1953, a record price for an imported bull. Bapton Enterprise sired the 3500-guineas Bapton Venture-On, who is breeding so well in Mr. Hope's Basildon Herd. He also sired Bapton Mary Crocus, the undefeated yearling heifer in Britain in 1954. Clipper Clancy was a very good, dark roan cow. Her sire, Kirkton Diamond, was by the renowned Kirkton Baronet. Calrossie Reconnaissance was by the great Calrossie Randolph.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 12 mm.; 72nd hour, 14 mm.

Avian—Initial, 12 mm.; 72nd hour, 20 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

52

(12360) **BAPTON MURIEL CROCUS** (X.O.M. M.23), Red Roan.

Calved 22nd March, 1954,	sire, Kirkton Hercules	381696 K. P. MacGillivray
dam, 376174 Bapton Crocus 71st	by Bapton Carry-On	362483 J. V. Rank

4 d 174598 Bapton Crocus 29th	by Bapton Royal	
	Robin	255311 Bapton Short. Co.
5 d 125565 Bapton Crocus 16th	by Collynie Viceroy	188660 Wm. Duthie

Served on 10th June, 1957, by Calrossie Constellation.

Bapton Muriel Crocus is full sister to Bapton Mavis Crocus, a prize-winner at the Royal Highland, the Royal, and the Great Yorkshire Shows last year, and also reserve Shorthorn champion at the Edinburgh Fat Stock Show. She is uterine sister to Bapton Mary Crocus, who is being retained in the Herd, and who had such a successful Show season in 1954. This Crocus family is the oldest in the Bapton Herd to-day, and has produced many outstanding animals. Kirkton Hercules and Bapton Carry-On—see Reference to Sires (A) and (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 9 mm.

Avian—Initial, 9 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

53 (432494) **BAPTON AUGUSTA BELLE** (X.O.M. L.17), Roan.

dam, 373469 Drummondreach

	Augusta 3rd by Lawton Calibar	367159 Major Henderson
g d 208015 Cluny Augusta 58th	by Calrossie Command	275428 Capt. MacGillivray
3 d 146561 Cluny Augusta 35th	by Glastullich Sirdar	237378 Wm. MacGillivray
4 d 71720 Cluny Augusta 21st	by Brawith Chieftain	187661 K. P. MacGillivray
5 d Cluny Augusta 12th	by President of	
	the Mint 109670 D. M. Stewart	

Served on 27th May, 1957, by Bapton Cornerstone.

Bapton Augusta Belle is a daughter of the 1951 Perth female champion. Her sire, Bapton Enterprise (by the 3600-gns. Aldie Red Gauntlet out of the 1600-gns. Calrossie Augusta Laura by Calrossie Cupbearer) was sold for almost £12,000 in Argentina in 1953, a record for an imported bull. Lawton Calibar is a grandson of the well-known Calrossie Randolph bull, Calrossie High Finance. Cluny Augusta 58th was an outstanding daughter of Calrossie Command, a 2000-gns. son of Calrossie Control. Calrossie Command was an outstanding breeder in the Cluny Herd.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 14 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

54 (12362) **BAPTON PRINCESS DOREEN** (X.O.M. M.28), Dark Roan.

Calved 4th April, 1954, sire, Bapton Hercules 392522 Reps. of J. V. Rank
dam, 264588 Bapton

Princess Royal 25th by Bapton Air Pilot 298495 J. V. Rank
g d 212055 Bapton

Princess Royal 19th by Bapton Leader
3 d 181482 Bapton Royal 274812 J. V. Rank

Princess Royal 15th by Bapton Royal Robin 255311 Bapton Short. Co.

4 d 131184 Princess Constance by Bridgebank
Rosedene 213883 A. J. Marshall

5 d 39740 Princess Florinda by Balcairn Baronet 153566 F. L. Wallace

Served on 27th January, 1957, by Calrossie Constellation.

Bapton Princess Doreen comes from this old Bapton family, which has produced many outstanding animals. One of the most notable bulls is Mr. Hugh Black's well-known Bapton Eldorado. This line also produced Calrossie Control, Cruggleton Perfect, and other notable sires. Bapton Hercules (sire, Kirkton Hercules; dam, the 1150-gns. heifer calf, Calrossie Clipper Kirsty, by Calrossie Good News) was sold for 3000 gns. for export to Señora Matilde Baurin, La-Pastoril, Argentina. Bapton Leader Royal and Bapton Royal Robin were two outstanding bulls. Bapton Air Pilot—see Reference to Sires (E).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 11 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

55 (430874) **LENTRAN AUGUSTA SHIRLEY** (G.G.R. L.1), Red.

Bred by Mr. J. M. Grigor, Lentran Estates, Inverness.

5 d 39682 Augusta Feodore by Balcairn Baronet 153566 F. L. Wallace

Served on 24th June, 1957, by Chapelton Commando.

Lentran Augusta Shirley, dam of Bapton Majestic, a prize-winner at Perth in 1956, sold for 1000 gns. to Kickapoo Farm, U.S.A. Her dam, Beaufort Augusta 3rd, is surely one of the greatest matrons alive to-day. She was supreme champion at the Royal in 1947. Among her many famous sons is Bapton Aurora, sire of Bapton Controller, this year's Perth champion, and whose three sons won the Get-of-Sire Trophy. Uppermill Resource sold at a high figure in Argentina. Note the outstanding sires in this pedigree. Bapton Battleship—see Reference to Sires (Q).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 10 mm.

Avian— Initial, 10 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

56 Her Heifer Calf, **BAPTON AUGUSTA MARION** (X.O.M. P.34), red, calved 22nd March, 1957—sire, Tradlin Beaver (4610).

Tradlin Beaver (by Gallant Marshal out of Rena Beauty) is a full brother to the 5000-gns., record-price calf, Tradlin Bertie, now a junior stock bull in the Bapton Herd—see Reference to Sires (M).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 4 mm.; 72nd hour, 4 mm.

Avian— Initial, 4 mm.; 72nd hour, 4 mm. Result—Passed.

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

 5 d 99274 Calrossie Miss Ina by Naemoor Ian 203839 J. J. Moubray

Served on 9th April, 1957, by Bapton Cornerstone.

Bapton Ruby Ramsden is one of the best young females in the Herd, and an outstanding daughter by Calrossie Constellation is being retained. Her dam, Ramsden Mary, was the top-price female at the Kirkton Dispersal Sale, and has been an outstanding breeder. Her two-year-old heifer, Bapton Ramsden Julitha, was female champion at this year's Royal Show. The Miss Ramsden family has been one of the most successful at Calrossie. Note the sires in this pedigree. Bapton Ringleader and Kirkton Baronet—see Reference to Sires (X) and (F).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 10 mm.

Avian— Initial, 9 mm.; 72nd hour, 12 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

Clipper Cynthia by Double Event 162830 G. B. Shields

Served on 23rd May, 1957, by Calrossie Highland Monarch.

Calrossie Clipper Sarah is full sister to Calrossie Hornpipe, reserve junior champion at Perth in 1954, sold for 1800 gns., and to Calrossie Expectation, sold for 1100 gns. Calrossie Clipper Sarah has a daughter retained in the Herd. Calrossie Clipper Rebecca, one of the best at Calrossie, is uterine sister to Calrossie Harmony, the sire of Calrossie Welcome, and many high-priced and good breeding cattle at Cruggleton. Calrossie Harmony's daughters sold at the Cruggleton Dispersal averaged £929. Calrossie Welcome, Calrossie Cupbearer, and Calrossie Randolph—see Reference to Sires (K), (W), and (N).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 11 mm.

Avian— Initial, 11 mm.; 72nd hour, 11 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Agglutination Test for Contagious Abortion on 9th September, 1957—1/20.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

59 (414884) **BAPTON AUGUSTA PALMA** (R.A.N. K.17), Red Roan.

Bred by the Executors of the late Mr. J. V. Rank.

Calved 22nd March, 1952,	sire, Kirkton Hercules	381696 K. P. MacGillivray
dam, 376164 Bapton

5 d 95196 Bapton Augusta 3rd	by Roan Robin	202241 R. A. Smith

Served on 10th June, 1957, by Calrossie Constellation.

Bapton Augusta Palma comes of this grand old Bapton family which, throughout the years, has been most successful. It has produced such famous Show animals as Bapton Augusta 6th, Bapton Augusta 11th, and Bapton Augusta 13th, unbeaten champions in their day. Butterfly Prince is by Lawton Field Marshal, the sire of Kirkton Baronet. Cluny Edgar Command, 1st prize at Perth in 1938, was the sire of Bapton Victor Royal, sold for £5000, top price in the Argentine in 1942. Kirkton Hercules and Bapton Paragon—see Reference to Sires (A) and (Y).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 10 mm.

Avian— Initial, 9 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

60 (411967) **CALROSSIE JOCELYN BROADHOOKS** (M.G.J. K.18), Red.

Bred by Messrs. John & D. P. MacGillivray, Calrossie, Nigg, Ross-shire.

5 d	164842 Bapton	by Bapton Royal		
	Broadhooks 5th	Robin	255311	Bapton Short. Co.

Served on 12th June, 1957, by Calrossie Constellation.

Bapton Broadhooks Clare, one of the first daughters of Kirkton Hercules, comes of a well-known, old Bapton family, which has produced many outstanding bulls, including the great Bapton Air Pilot. Bapton Broadhooks 22nd, an outstanding, dark roan daughter of this well-known show bull. Like her dam, she was a female with tremendous width and depth, a characteristic so typical of this old Bapton Broadhooks family. Bapton Umpire was exported to Argentina, where he was a most successful sire. Kirkton Hercules and Bapton Carry-On—see Reference to Sires (A) and (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 10 mm.

Avian—Initial, 10 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

67 (373238) CALROSSIE HEATHER BROADHOOKS (M.G.J. H.60), Red.

Bred by Messrs. John & D. P. MacGillivray, Calrossie, Nigg, Ross-shire.

Calved 24th December, 1950, sire, Calrossie Welcome 368471 J. & D. P.

dam, 303425 Calrossie MacGillivray

5 d 149144 Balthayock National 268893 Capt. MacGillivray

Butterfly 7th by Kinellar Matador 245155 Syl. Campbell

Served on 26th April, 1957, by Bapton Northward Bound.

Bapton Perfect, a well-known sire in Mr. Michael Holloway's Lavington Herd. He sired the supreme champion Shorthorn on two different occasions at Smithfield, and one of these went on to win the championship for the best steer, reserve supreme champion of the Show. Bapton Butterfly is a beautiful, dark red daughter of the good-breeding Dacre First Command, a grandson of the famous Calrossie Command. Ballechin Clipper Chief was successfully used by Mr. John Barnes. This line of the famous Butterfly family produced the well-known Cruggleton stock bull, Cruggleton Braemar.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 11 mm.

Avian— Initial, 11 mm.; 72nd hour, 15 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

Served on 12th May, 1957, by Chapelton Commando.

This is a very good breeding grand-daughter of the well-known Show cow, Beaufort Eliza Margaret. She is the dam of Bapton Rosedene, who won 1st prize and the Calrossie Cup at the Royal Show, Windsor, in 1954. An outstanding daughter, Bapton Eliza Love, is being retained in the Herd. She is also the dam of Bapton Canopus, a prize-winner at Perth in 1956, and sold to Mr. James Schofield for 700 gns. Note the outstanding sires in this pedigree. Bapton Paragon and Bapton Battleship—see Reference to Sires (Y) and (Q).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 11 mm.; 72nd hour, 11 mm.

Avian—Initial, 11 mm.; 72nd hour, 14 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

5 d Princess Yuleika	by Edgecote Hero	136371 Edgecote Short. Co.

Served on 12th May, 1957, by Kair Masterkey.

Calrossie Princess Orpah has been a splendid breeder, two of her daughters are retained in the Herd. She is uterine sister to Calrossie Royal Embassy (1200 gns.); Calrossie Princess Olga, dam of Calrossie Royal Escort (3200 gns.); Calrossie Royal Standard (4800 gns.); and Calrossie Prince Charlie (2000 gns.). This family has produced many famous cattle at Calrossie, including Calrossie Red Baronet, a leading sire in Australia, and the famous Calrossie Control. Note the line of sires in this pedigree. Calrossie Welcome and Calrossie Randolph—see Reference to Sires (K) and (N).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 9 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 12 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Agglutination Test for Contagious Abortion on 9th September, 1957—1/20.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

71 (376162) **BAPTON AUGUSTA 45th** (R.A.N. H.6), Red.

Bred by the late Mr. J. V. Rank.

Calved 21st January, 1950,	sire, Bapton Carry-On	262483 J. V. Rank
dam, 222123 Bapton	by Bapton Air	
Augusta 19th	Commander	285605 J. V. Rank

5 d 44426 Augustine	by Billington	
	Snowstorm	154027 Sir R. Cooper

Served on 16th February, 1957, by Calrossie Good News.

Bapton Augusta 45th comes of one of the oldest families in the Bapton Herd, and is an excellent breeder. One of her daughters, Bapton Augusta Nonie, won 1st prize in the Junior Yearling Class at the Highland and Royal Shows in 1953, and is being retained in the Herd. Bapton Augusta 19th was an outstanding daughter of the famous Show cow, Bapton Augusta 11th. Calrossie Ringleader was a great foundation builder in the Bapton Herd, and one of Collynie Royal Leader's best sons. Bapton Carry-On—see Reference to Sires (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 13 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Agglutination Test for Contagious Abortion on 9th September, 1957—1/80.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(BAPTON)

72 (376174) **BAPTON CROCUS 71st** (R.A.N. H.14), Red.

Bred by the late Mr. J. V. Rank.

Calved 11th March, 1950,	sire, Bapton Carry-On	362483 J. V. Rank
dam, 277272 Bapton Crocus 59th	by Lawton Alfred	308477 Wm. Henderson

5 d 32005 Cyclamen	by Bapton Malcolm	134909 J. D. Willis

Served on 4th May, 1957, by Calrossie Good News.

Bapton Crocus 71st comes of this famous Bapton family, perhaps the oldest in the Bapton Herd to-day. She is the dam of Bapton Mary Crocus, winner of seven 1st prizes, three supreme championships, and two reserve female championships, in 1954, including the Royal and Highland Shows. Another daughter, Bapton Mavis Crocus, was a prize-winner at the Royal Highland, the Royal, and Great Yorkshire Shows last year. She also won 1st prize and reserve Shorthorn championship at Edinburgh Fat Stock Show. Bapton Carry-On—see Reference to Sires (O).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 12 mm.; 72nd hour, 13 mm.

Avian—Initial, 12 mm.; 72nd hour, 13 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

73 (373469) **DRUMMONDREACH AUGUSTA 3rd** (M.D.W. H.1),

Dark Roan.

Bred by Mr. W. D. MacWilliam, Drummondreach, Conon Bridge,
Ross-shire.

Calved 28th February, 1950,	sire, Lawton Calibar	367159	Major Henderson
dam, 208015 Cluny Augusta 58th	by Calrossie Command	275428	Capt. MacGillivray
g d 146561 Cluny Augusta 35th	by Glastullich Sirdar	237378	Wm. MacGillivray
3 d 71720 Cluny Augusta 21st	by Brawith Chieftain	187661	K. P. MacGillivray
4 d Cluny Augusta 12th	by President of		
	the Mint	109670	D. M. Stewart
5 d Cluny Augusta 4th	by Edgar 2nd of Cluny	91611	Lady Cathcart

Served on 5th December, 1956, by Calrossie Good News.

Drummondreach Augusta 3rd was female champion at Perth in 1951, and was purchased for the Bapton Herd at 1000 gns. Her first calf, Bapton Comet, was a prize-winner at Perth in 1953, sold to Mr. Peter Gammie for 560 gns., and re-sold in the Argentine for £2000. Lawton Calibar is a grandson of the well-known Calrossie Randolph bull, Calrossie High Finance. Cluny Augusta 58th was an outstanding daughter of the great Cluny stock bull, Calrossie Command, whose record in the Cluny Castle Herd in 1938 and 1939 is too well known to need comment.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 11 mm.

Avian—Initial, 10 mm.; 72nd hour, 14 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

74 (303425) **CALROSSIE HILARY BROADHOOKS** (M.G.J. D.62), Red Roan.

Bred by Messrs. John & D. P. MacGillivray, Calrossie, Nigg, Ross-shire.

Calved 7th December, 1946,	sire, Kirkton Baronet	335904	K. P. MacGillivray

5 d 76441 Calrossie	by Stoneytown		

Miss Broadhooks	Challenger	159672	R. S. MacWilliam
-----------------	------------	--------	------------------

Served on 10th June, 1957, by Calrossie Highland Monarch.

Kirkton Baronet and Calrossie Randolph—see Reference to Sires (F) and (N). Calrossie Hilary Broadhooks is dam of Glamis Grand Monarch, sold in Argentina for 90,000 pesos, and Calrossie Classic, sold for 1100 gns., and grand-dam of Glamis Double Dash, sold for 2200 gns. She is full sister to the 3000-gns. Calrossie Baronet, used successfully at Naemoor and Crichton. Calrossie Honora Broadhooks, the well-known Calrossie show cow, won 1st prize at the Royal Show in 1948. The sires and dams in this Calrossie Broadhooks pedigree are worthy of attention.

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 10 mm.; 72nd hour, 10 mm.

Avian—Initial, 9 mm.; 72nd hour, 9 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Agglutination Test for Contagious Abortion on 9th September, 1957—1/40.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

(GLAMIS)

75(250961) **ROTHES QUEEN JULIET** (M.K.P. Z.12), Red.

Bred by the late K. P. MacGillivray, Kirkton, Bunchrew, Inverness-shire.

Calved 30th March, 1942,	sire, Calrossie	
dam, 220451 Rothés		Endeavour 297338 Capt. MacGillivray
	Queen Wendy by Calrossie

4 d 76458 Rothés Queen 7th	by Naemoor Cock	
		Robin 157946 J. J. Moubray
5 d Clunes Rothés Queen	by Millhills Rothés	
		King 138020 D. M. Stewart

Served on 18th August, 1957, by Kair Masterkey.

Rothés Queen Juliet was the favourite cow in the Kirkton Herd, and was purchased at that Dispersal when nine years old, for 920 gns. Among her many famous sons were Glamis Rothés Knight, supreme champion at Aberdeen, sold to Australia for 1600 gns; Kirkton Benefactor, junior champion at Perth; Kirkton Dictator, Mr. Frank Hood's famous stock bull in Australia; and Kirkton Grandee, used at Kirkton and Phopachy. There are many famous descendants of Rothés Queen Juliet, including Bapton Controller, supreme champion at Perth in February last. Calrossie Endeavour—see Reference to Sires (T).

Single Intradermal Comparative Test, 4th to 7th September, 1957.

Mammalian—Initial, 8 mm.; 72nd hour, 8 mm.

Avian—Initial, 7 mm.; 72nd hour, 10 mm. Result—Passed.

Inoculated with Br. Abortus Vaccine (Strain 19).

Passed Agglutination Test for Contagious Abortion on 9th September, 1957.

Passed Complement Fixation Test for Johne's Disease on 9th Sept., 1957.

KIRKTON HERCULES

REFERENCE TO SIRES

- (A) **KIRKTON HERCULES** (381696), white, bred by the late K. P. MacGillivray. Calved 22nd February, 1950—sire, Kirkton Baronet (335904); dam, (318953) Rothes Carlotta by Naemoor Marshal (345049).

Won 1st prize at Perth, 1951. Purchased for 5000 gns. He contained the blood of three of the greatest sires of all time, namely, Kirkton Baronet, Cruggleton Perfect, and Calrossie Randolph. He proved an outstanding sire in the Bapton Herd. His first crop of calves gained him the honour of top breeding sire of Britain, 1953. His sons have won many prizes, and have sold as follows:—Bapton Aurora, 5000 gns.; Bapton Control, 3800 gns.; Bapton Field Boy, 3500 gns.; Bapton Hercules, 3000 gns.; Bapton Golden Miller, 2800 gns.; Bapton Grand National, 2500 gns.; and Bapton Cup Final, 2500 gns. Bapton Aurora sired Bapton Controller, supreme champion at Perth; and the champion group of three by one sire, which averaged £3710 each, and gave Bapton Aurora the honour of top breeding sire, 1957. The Kirkton Hercules females, practically all of which up to the present time have been retained in the Herd, show beautiful character, and are proving first-class matrons. Three females by him won the Duthie Prize at the Royal Highland Show, 1956.

- (B) **CALROSSIE HIGHLAND PRIDE** (375429), red, bred by John & D. P. MacGillivray. Calved 1st November, 1949—sire, Calrossie Cupbearer (352903); dam, (303428) Calrossie Pauline Pearl by Kirkton Baronet (335904).

Used for a season at Calrossie before being exported at a high figure to Mr. John Davies, Australia. His dam, Calrossie Pauline Pearl, was female champion at the Royal Highland Show in 1950, and is one of the best daughters of Kirkton Baronet at Calrossie. Another of her sons, Calrossie Ocean Wave (by Calrossie Welcome), was also used for a season at Calrossie, and then sold for 7000 gns. to Mr. M'Gowan, Maclyn Plantation, U.S.A. Both the Calrossie Highland Pride and Calrossie Ocean Wave females are proving outstanding breeders. Calrossie Cupbearer won 1st prize at Perth in 1948, and was a member of all the champion groups. He was retained as a stock bull and, at Perth in 1950, with his first crop of calves, he was the top breeding sire of the year. His sons won the Pittodrie Cup for the best three bulls by one sire, and eleven of them averaged £2258. Calrossie Highland Pride's sire and dam were both got by Kirkton Baronet, and both were of the same Pauline family.

- (C) **BAPTON CONSTRUCTOR** (6414), red, bred by Cecil Moores. Calved 25th January, 1955—sire, Calrossie Constellation (396200); dam, (431434) Aldie Augusta Johanna by Aldie Jonathan Adonis (386875).

Sold privately to Mr. Louis Cadesky, Louada Manor Farms, Ontario, Canada, for the record price of 15,000 gns. He was used on some of the best females in the Herd before being exported, and his calves show great promise. His dam was purchased from her breeder, Mr. Finlay MacGillivray, for 1100 guineas when six months old. Bapton Constructor was her first calf; her second, Bapton Cairnbrogie, won the December class at Perth, 1957, and was a member of the group which won the Auctioneers' Challenge Cup for the best three bulls, and the Lovat Cup for the best five bulls, and he made the top price of 7000 gns. to Mr. Sandy Cross, Calgary, Canada. Aldie Augusta Johanna is only four years old, and her two bulls to date have realised £23,000, surely a record for a female of this age of any breed. Aldie Jonathan Adonis, junior champion at Perth, was by the 5000-gns. Calrossie Adonis, a son of the great Kirkton Baronet, and is of exactly the same breeding as Calrossie Grand National.

CALROSSIE HIGHLAND MONARCH

- (D) **CALROSSIE HIGHLAND MONARCH** (386899), red, bred by John & D. P. MacGillivray. Calved 20th April, 1951—sire, Calrossie Welcome (368471); dam, (288627) Calrossie Goldie Lass by Glastullich Fortress (321245).

Calrossie Highland Monarch was purchased privately at Calrossie after he had been retained as a stock bull from the crop of calves that averaged £3665 10/- for thirteen at Perth in 1952. His sons include Glamis Grand Slam, sold for 5500 gns.; Glamis Newsreel, 3000 gns.; Glamis Gay Monarch, 2300 gns.; Glamis Double Dash, 2200 gns.; Glamis Gay Gordon, 1700 gns.; Glamis Rothes Knight, 1600 gns.; Glamis Grand Monarch, sold for 90,000 pesos; and Glamis Bold Monarch, sold for 85,000 pesos. Sons of Calrossie Highland Monarch won all the group prizes at Perth in 1955, as well as the reserve junior championship, and also the champion and reserve at Aberdeen. The daughters of Calrossie Highland Monarch are very favourably commented upon by Breeders who have seen them. Calrossie Goldie Lass, an outstanding female, is closely related to the 10,100-gns. Calrossie Highland Piper, who is breeding so well for Mr. Sandy Cross, Calgary, Alberta, Canada. Glastullich Fortress, one of the best stock bulls ever used at Glastullich, sired a Perth and Royal supreme champion.

- (E) **BAPTON AIR PILOT** (298495), dark roan, bred by the late J. V. Rank. Calved 13th June, 1938—sire, Bapton Air Control (285606); dam, (164842) Bapton Broadhooks 6th by Bapton Royal Robin (255311).

Won the Argentine Cup at the Royal Show, Windsor, 1949. One of the greatest sires of his time. Among his many high-priced offspring was Bapton Upright, used for a season at Bapton, where he sired Bapton Commando, Messrs. Anderson's well-known, good breeding stock bull. Bapton Upright, 1st prize at Perth, was purchased for Pittodrie at 3200 gns., where he proved an outstanding sire. He sired the 14,500-gns. Perth champion in 1946, and the 14,000-gns. Pittodrie Uprise. He was the top breeding sire of that year, setting up a record of over £7000 each for his crop of calves. This is a record which has never been beaten by a bull of the breed. Bapton Air Pilot also sired the Beaufort stock bull, Bapton Battleship; the 3500-gns. Bapton Navigator; the 3000-gns. Bapton Historian; and the 3400-gns. Bapton Air Guide. Among his many outstanding females was Bapton Actress 10th, female champion at the Highland; female and reserve champion at the Royal, and supreme champion at the Great Yorkshire, in 1949.

- (F) **KIRKTON BARONET** (335904), red roan, bred by the late K. P. MacGillivray. Calved 7th March, 1944—sire, Lawton Field Marshal (314137); dam, (230682) Golden Beautiful by Calrossie Broadhooks Bounty (284416).

A sire that has done more to rectify the heads of the breed in recent years than any other. Both he and his sons topped the lists of breeding sires for many years. One of his greatest assets was his magnificent head and character, which he passed on to his progeny. His sons include such notable bulls as Calrossie Cupbearer; the 6000-gns. Calrossie Pibroch; Kirkton Challenger; Kirkton Dragon; Kirkton Drum-Major; the 3000-gns. Calrossie Baronet; Calrossie Controller; Calrossie Contribution; Calrossie Highland Leader; Calrossie Ramsden Baronet; Calrossie Atlantic Wave; the 6000-gns. Calrossie Good News; the 8000-gns. Calrossie Rescue; the 5000-gns. Calrossie Adonis; the 5000-gns. Kirkton Hercules; the 4000-gns. Phopachy Hop Scotch; and many others. His females are breeding exceptionally well, and include Calrossie Pauline Pearl, female champion at the Royal Highland Show in 1950, and practically all the prize-winning and high-priced sons of Calrossie Welcome have been out of Kirkton Baronet dams. This year, two of his grandsons topped the list of breeding sires.

CALROSSIE CONSTELLATION

- (G) **CALROSSIE CONSTELLATION** (396200), red, bred by John & D. P. MacGillivray. Calved 1st March, 1953—sire, Calrossie Welcome (368471); dam, (318937) Calrossie Flossy Beau by Kirkton Baronet (335904).

Purchased at Perth in 1954 for 5600 gns. Undoubtedly one of the greatest sons of the world-renowned Calrossie Welcome, and his dam is perhaps the best female by Kirkton Baronet at Calrossie. Calrossie Constellation has just completed the 1957 Show circuit undefeated. His wins include supreme champion at the Royal Highland, the Royal, the Great Yorkshire, the Royal Lancashire, Ellon, Turriff, and Keith Shows. His first calf, Bapton Ramsden Julitha, won the female championship at the Royal Show this year. His second calf, Bapton Constructor, was sold to Louada Manor Farms, Ontario, for the record price of 15,000 gns. His sons, in 1956, averaged over 5000 gns., and twelve sold to date in 1957 have averaged over 2600 gns., including the top price at Perth in 1957, Bapton Cairnbrogie, sold to Mr. Sandy Cross, Alberta, for 7000 gns., thus making Calrossie Constellation the second top breeding sire in 1957. This Floss family at Calrossie has produced such famous sires as Calrossie Silver Wedding, Calrossie Good News, Calrossie Highland Welcome, Calrossie Supremacy, Calrossie Supreme, and many others.

- (H) **CRUGGLETON GUTHRIE** (381896), red roan, bred by the late A. J. Marshall. Calved 16th April, 1950—sire, Cruggleton Braemar (344560); dam, (263100) Pearl Golden Drop by Cruggleton Adjuster (315395).

Cruggleton Guthrie was sold at the Cruggleton Dispersal for 4000 gns. to Edellyn Farms and Almerhurst Farms, U.S.A. While awaiting shipment, he was used in the Beaufort Herd, and with his sons at Perth in 1955, he was the second top breeding sire of his year. He is a full brother to the 4000-gns. Cruggleton Godwin, used with success at Cluny Castle. Cruggleton Braemar was the sire of Cruggeton Pentland Firth, sold to Beaufort for 4000 guineas, in which Herd he was an outstanding success, being the sire of Beaufort Bulldozer, top breeding sire at Perth in 1955, and one of the greatest sires ever exported to the U.S.A. A full brother to Cruggleton Pentland Firth, Cruggleton Bonn, was used with great success at Kinellar for three seasons before being exported to Messrs. Lithgow & Ross, Australia, where he has recently sired the supreme champion at the Sydney Royal Show. Cruggleton Adjuster was a well-known winner in his day, being male champion at the Royal English Show at York in 1948.

- (I) **BAPTON CORNERSTONE** (Vol. 103), red, bred by Cecil Moores. Calved 26th February, 1956—sire, Calrossie Constellation (396200); dam, (303167) Beaufort Augusta 3rd by Bapton Battleship (316198).

Bapton Cornerstone is uterine brother to Bapton Aurora, sold privately to Señor Ellisondo, Argentina, for 5000 gns. He was used on three females before being exported, and the three calves of these matings, all bulls, won a 1st, 2nd, and 3rd prize at Perth in 1957; and senior and supreme champion and the Pittodrie Cup for the three best bulls by one sire. These three averaged £3,710. Beaufort Augusta 3rd is one of the greatest Shorthorn matrons alive to-day. She was supreme champion at the Royal Show, Lincoln, 1947, and has been an outstanding breeder. Among her many notable sons is Corrimony Golden Sovereign, stock bull with the Anderson Brothers for many years. Bapton Battleship, used with great success at Beaufort, was one of the famous Bapton Air Pilot's best breeding sons. Next sires in line are the famous Cruggleton Willingdon, Garguston Sovereign (sire of Cruggleton Perfect), Bridgebank Rosedene, one of Collynie Royal Leader's best sons, and Balcairn Baronet, a bull that did a lot for the Cruggleton Herd in its earlier years.

KAIR MASTERKEY

- (J) **KAIR MASTERKEY** (4176), red roan, bred by G. J. C. Anderson. Calved 7th April, 1955—sire, Calrossie Crocus Count (386892); dam, (381880) Kair Janet by Corrimony Golden Sovereign (373920).

He won 1st prize, junior champion, and reserve supreme at Perth in 1956. Purchased for the Glamis Herd at 5600 gns., he has developed magnificently, and is undoubtedly one of the best young bulls in service to-day. Calrossie Crocus Count (by Calrossie Welcome) is surely one of the greatest stock bulls of the present day. In the Anderson Brothers' Herds he has produced many famous bulls. At Perth, in 1954, he sired Burnton Bankbook, the supreme champion, sold for 7300 gns. to Beaufort, and Burnton Rowan, junior champion and reserve supreme at same Sale, sold for 5000 gns. to Señor Duggan, Argentine. In 1957, Crocus Count sired the reserve junior champion, Morphie Olympic, and his sons won the reserve for the group of three by one sire. Several other high-priced sons have been sold both privately and by public auction. Corrimony Golden Sovereign, out of Beaufort Augusta 3rd (dam of Bapton Aurora) by Bapton Battleship, was one of the best breeding bulls of his time. Kair Masterkey's next sire in line is Bapton Commando, by Bapton Upright.

- (K) **CALROSSIE WELCOME** (368471), red roan, bred by John & D. P. MacGillivray. Calved 13th February, 1948—sire, Calrossie Harmony (344256); dam, (263052) Augusta Laura by Cruggleton Perfect (303904).

He was reserve senior champion at Perth in 1949, and later in the year was supreme champion at the Royal Highland and Royal English Shows. He has been one of the most outstanding stock bulls of recent years. His sons have aggregated over £130,000, and include two Perth champions. Not only has Calrossie Welcome proved an outstanding breeder, but his sons are carrying on that great tradition both at home and overseas. In Canada and the U.S.A., Calrossie Armada, Calrossie Prefect, Calrossie Highland Piper, and Calrossie White Emblem are the top breeding sires. In Australia, the 1955 Perth champion, Calrossie Paramount, sold to Kyalla Pty. for 8500 gns., and at home, Calrossie Crocus Count, Calrossie Hyperbole, Calrossie Highland Monarch, Calrossie Constellation, and many others, are right at the top of the breeding sires list. His females, at Calrossie and elsewhere, are equally outstanding. Calrossie Harmony (by Glastullich Fortress) won 1st prize at the Royal, 1947. Cruggleton Perfect, too well known to need any comment, was one of the greatest sires ever produced in that famous Herd.

- (L) **CRUGGLETON ANNEXE** (328335), white, bred by the late A. J. Marshall. Calved 10th May, 1943—sire, Cruggleton Brunel (315414); dam, (220684) Augusta Lesme by Cruggleton Prince Favourite (250114).

Cruggleton Annexe won the Argentine Breeders' Cup at the R.A.S.E. Show in 1947, and was the sire of the heifer, Princess Colleen, sold to Pittodrie for 2000 guineas, and of the good breeding bull, Cruggleton Assheton, who sired Cruggleton Elvin, 1st and junior champion at the Royal Highland and 1st at the R.A.S.E. Shows in 1949, and he, in turn, sired the great Cruggleton Balmoral. Cruggleton Assheton also sired Cruggleton Raeside. Cruggleton Annexe also sired the dams of such renowned bulls as Cruggleton Pandelus, sold at Perth in 1951 for 5500 gns.; Cruggleton Purdon, sold at Perth in 1952 for 2100 gns.; and Cruggleton Leishman, sold at Perth in 1952 for 3000 gns. He is of exactly the same breeding as the great Calrossie Welcome, and Bapton Enterprise, who was sold in the Argentine for £12,000 in 1953—a record price for an imported bull. They all trace back to one of the greatest Show cows of all time, Augusta Melissa, champion at the Highland, the R.A.S.E., and Great Yorkshire Shows in her day.

TRADLIN BERTIE

- (M) **TRADLIN BERTIE** (Vol. 103), bred by Sylvester Campbell & Sons. Calved 23rd March, 1956—sire, Gallant Marshal (394338); dam, (275573) Rena Beauty by Cruggleton Prescription (315455).

Purchased from his breeders when eight weeks old for 5000 gns., believed to be a record price for a calf of this age of any breed. Gallant Marshal, by Erimus Gallant out of Jealous Edna (by Cruggleton Perfect) was the most successful sire at Perth in 1956. Nine bulls sired by him gained three 1st prizes, reserve senior champion, and reserve junior champion. They won all the group prizes, and one of his sons, Kinellar Napoleon, sold for the top price of 8500 gns. The nine bulls averaged £2911 each. At Perth in 1957, he sired the reserve group of five bulls. Rena Beauty, surely one of the greatest matrons alive to-day, was bought for 900 gns. at the Cruggleton Dispersal Sale. She is the dam of Cruggleton Bentham, used with success in Messrs. Cadzow's Duncrahill Herd; Cruggleton Burly, used at Harviestoun; and the famous Cruggleton Balmoral, one of the greatest sires ever bred by the master breeder, the late Mr. A. J. Marshall, and used with great success in both the Chapelton and Erimus Herds.

- (N) **CALROSSIE RANDOLPH** (275440), dark roan, bred by John & D. P. MacGillivray. Calved 30th November, 1935—sire, Calrossie Grand National (268893); dam, (160065) Calrossie Miss Rosebud by Glas-tullich Waverley (237381).

One of the greatest sires the breed has ever produced. His sons include such famous bulls as Calrossie Napoleon, whose calves have made the highest aggregate of all time in Argentina, when he was stock bull in the famous El-Cantor Herd, and his offspring won many prizes and championships at Palermo, and his females were equally outstanding; Calrossie Endeavour, his full brother, who did so much for the Kirkton Herd; Calrossie Prince Peter, supreme champion at Perth in 1940; Calrossie Sweepstake, used with great success at Uppermill, where he sired a Perth champion; Calrossie High Finance, successfully used and shown by Kinellar; Calrossie Cavalcade and Calrossie Instructor, both famous sires in the Argentine. The lovely headed, smooth-fleshed females he has left have been the mainstay of the Calrossie Herd for many years past. Typical specimens are Calrossie Augusta Jewel, supreme champion at the Royal Show at Oxford in 1950, and Calrossie Honora Broadhooks, 1st at the Royal Show at York in 1948, and dam of the well-known Naemoor stock bull, Calrossie Baronet.

- (O) **BAPTON CARRY ON** (362483), red roan, bred by the late J. V. Rank. Calved 24th May, 1947—sire, Bapton Air Pilot (298495); dam, (222125) Bapton Augusta 21st by Cluny Edgar Command (289484).

Bapton Carry On won 1st prize, Argentine Cup, and reserve male champion at the Royal Show in 1948; supreme champion at the Great Yorkshire Show in 1950. In 1951, he won the Calrossie Cup at the Royal Show at Cambridge; supreme champion at the Royal Welsh and Royal Lancashire Shows. In 1953, he won 1st prize at the Royal Highland, and 1st prize and reserve male champion at the Royal. His sire, Bapton Air Pilot, was one of the greatest bulls the breed has ever produced, both his male and female offspring being outstanding. His blood has been very prepotent, and traces through a lot of the best pedigrees to be found in the breed to-day. Bapton Augusta 21st was a great cow of this famous family, which has produced many high-priced and Show animals in the Bapton Herd. Cluny Edgar Command, by the 2000-gns. Calrossie Command, was used with such great success in the Cluny Castle Herd. One of Cluny Edgar Command's sons, Bapton Victor Royal, topped the 1942 imported Argentine Sales.

CHAPELTON COMMANDO

- (P) **CHAPELTON COMMANDO** (Vol. 103), red, bred by James Biggar. Calved 25th February, 1956—sire, Chapelton Chieftain (394064); dam, (1279) Pearl Clipper by Cruggleton Peart (391883).

Won 1st prize and reserve senior champion at Perth in 1957. Purchased at 5100 gns. for the Bapton Herd. His sire, Chapelton Chieftain, perhaps the best son of the noted Cruggleton Balmoral, won the Calrossie Cup and the Hugh Cornwallis Maude Trophy at the Royal Show in 1956. Cruggleton Balmoral, one of the greatest sires of recent times, was used with great success in the Chapelton Herd before going to Captain R. S. de Q. Quincey's Erimus Herd. One of his sons, Bapton Balmoral, was sold to Millhills at Perth in 1956 for 2400 gns., and was re-sold at the Millhills Dispersal for 5500 gns. to Calrossie and Glastullich. Chapelton Commando's dam, Pearl Clipper, is one of the sweetest females in the Chapelton Herd. Her sire, Cruggleton Peart, is now stock bull in the famous Herd of Señor Enrique Santamarina, Argentina. Cruggleton Peart was a son of Cruggleton Elvin, who won 1st prize and junior champion at the Royal Highland Show, and 1st prize at the R.A.S.E. Show, 1949, and the sire of the noted Cruggleton Balmoral.

- (Q) **BAPTON BATTLESHIP** (316198), red, bred by the late J. V. Rank. Calved 20th August, 1941—sire, Bapton Air Pilot (298495); dam, (222121) Bapton Actress 4th by Bapton Vanguard (292034).

Bapton Battleship was purchased for the Beaufort Herd for 1400 gns., and was undoubtedly one of the best sires ever used in that Herd. He was the sire of the 1948 reserve junior champion at Perth, Beaufort Boludo, sold for 4000 gns. to Messrs. Anderson Brothers, in whose Herds he was a most successful sire. Bapton Battleship is also the sire of Beaufort Augusta 3rd, supreme champion at the R.A.S.E. Show, 1947, and the dam of Bapton Aurora, top breeding sire of 1957, one of whose sons, Bapton Controller, was supreme champion at Perth this year. Beaufort Augusta 3rd was also the dam of Corrimony Golden Sovereign. Another daughter of Bapton Battleship was the 1200-gns. Beaufort Orange Talisman, dam of two Chicago International Grand Champions. He was also the sire of the 1000-gns. Beaufort Eliza Margaret, purchased for Bapton when one year old, and reserve female champion at the Cambridge Royal in 1951. Bapton Battleship was full brother to the famous Bapton show cow, Bapton Actress 10th, undefeated female of Britain in 1949.

- (R) **CALROSSIE GOOD NEWS** (368449), red roan, bred by John & D. P. MacGillivray. Calved 22nd March, 1948—sire, Kirkton Baronet (335904); dam, (250934) Calrossie Flossy Rose by Lawton President Roosevelt (308482).

Won 1st prize in his class at Perth in 1949, reserve junior champion, and a member of all the championship groups. He sold to Saltoun for 6000 gns., in which Herd he proved an outstanding success, not only by his sons, but his females in the Saltoun Herd are outstanding. He is regarded as one of Kirkton Baronet's best-fleshed sons, and has such outstanding sires as Calrossie Randolph and Calrossie Control at the top of his pedigree. One of his most notable sons was Saltoun Silver King, winner of 1st prize and reserve senior champion at Perth in 1954, sold to Mr. James Schofield for 4200 gns. for Señor Delfino, Argentina. Another famous son, Leveldale Good News, had a very outstanding show career in the hands of Messrs. Mathers, U.S.A. Calrossie Good News was purchased for the Bapton Herd in 1956 to replace Kirkton Hercules, after the latter had died. A full sister to Calrossie Good News was the dam of Calrossie Silver Mine, the top-price bull of his year in the Argentine.

BAPTON NORTHWARD BOUND

- (S) **BAPTON NORTHWARD BOUND** (6423), dark roan, bred by Cecil Moores. Calved 26th May, 1955—sire, Calrossie Hyperbole (391674); dam, (397601) Fair Clipper 45th by Calrossie Highland Leader (352909).

Bapton Northward Bound was born en route when the Bapton Herd moved from Delaware Farm, Kent, to Cairnbrogie, Aberdeenshire. His sire, Calrossie Hyperbole, by Calrossie Welcome, is regarded as one of the best-headed bulls in the breed to-day. Calrossie Hyperbole sired the 1956 Perth supreme champion, Glastullich Gay Lad, sold to Mr. Neville Blond, Gotwick Manor, Surrey, for 6100 gns. His uterine brother, Calrossie Christmas Carol, is being retained as a stock bull at Calrossie. Fair Clipper 45th was the undefeated female in Britain in 1956. Her winnings included female and reserve supreme champion at both the Royal Highland and Royal English Shows, and supreme champion at the Great Yorkshire. She was one of the pair which won the Burke Trophy at the Royal Show. Calrossie Highland Leader was one of Kirkton Baronet's best breeding sons. His females at Millhills were outstanding, and were in great demand at the Millhills Despersal Sale last October. One of his daughters, Scottish Buttercup 58th, made the top price of 1400 gns. to the Bapton Herd.

- (T) **CALROSSIE ENDEAVOUR** (297338), red, bred by Captain John MacGillivray. Calved 9th December, 1938—sire, Calrossie Randolph (275440); dam, (110144) Calrossie Rosewood Beres by Naemoor Jasper (217781).

Calrossie Endeavour was one of the greatest sires ever used in the Kirkton Herd, and it is amazing that practically all the famous females from Kirkton have Calrossie Endeavour in their pedigrees. He was full brother to Calrossie Napoleon, the outstanding sire in Dr. Bonadea's famous El-Cantor Herd in Argentina. Calrossie Randolph was one of the greatest sires the breed ever produced. Among his famous sons were Calrossie Prince Peter, champion at Perth in 1940; Calrossie Sweepstake, used with great success at Uppermill; Calrossie High Finance; Calrossie Cavalcade; and Calrossie Instructor. He was renowned for his great quality and for the beautiful, smooth fleshing of his offspring. Two of his famous daughters are Calrossie Augusta Jewel, supreme champion at the Royal Show, Oxford, in 1950, and Calrossie Honora Broadhooks, 1st at the Royal Show, York, in 1948. This Rosewood family, both at Calrossie and Pittodrie, produced many outstanding specimens of the breed. Naemoor Jasper, 1st prize at Perth, where he was purchased for Calrossie, was one of the outstanding sires of all time.

- (U) **PITTODRIE KANO** (392434), red roan, bred by the Pittodrie Shorthorn Co., Ltd. Calved 1st February, 1952—sire, Cruggleton Raeside (375677); dam, (356772) Pittodrie Broadhooks Gela by Millhills Despot (355381).

Pittodrie Kano won 1st prize and supreme champion at the Perth March Sale in 1953, where he was purchased for the Bapton Herd. He won many championships before being sold for 5000 gns. for export to Señora Matilda Baurin, La Pastoril, Argentina. His sire, Cruggleton Raeside, was 1st prize and junior champion at the Highland and R.A.S.E. Shows, and reserve male champion at the R.A.S.E. Show, in 1950. He won 1st prize and reserve senior champion at Perth in 1951, when sold for 4500 gns. to Pittodrie. Pittodrie Broadhooks Gela is probably the best female in the Pittodrie Herd, and her dam is a full sister to the 14,500-gns. Perth champion of 1946, Pittodrie Upright. Millhills Despot was junior champion at Perth in 1947, and was sold to Pittodrie for 3300 gns. Pittodrie Kano's full brother, Pittodrie Noah, won 2nd prize at Perth in 1956, and was sold for 5000 gns. to Mr. Watt Taylor Philorth, Fraserburgh. Pittodrie Kano contains the blood of such famous sires as Cruggleton Perfect, Cruggleton Willingdon, and Bapton Upright.

- (V) **BAPTON ELDORADO** (368654), red, bred by the late J. V. Rank. Calved 11th December, 1948—sire, Glastullich Pay Day (344292); dam, (305784) Bapton Princess Royal 30th by Butterfly Prince (326140).

Bapton Eldorado, one of the most famous sires of recent time, has been used with great success in the Banchory Herd. He was the sire of Banchory Jason, stock bull at Millhills, and winner of numerous prizes, including reserve male champion at the 1954 Royal Highland Show. He also sired Banchory Just Right, 3rd prize winner at Perth, sold for 1700 gns. to Cabana San Jorge, Argentina. Banchory Julian sold in the Argentine for 3200 gns.; Banchory Justin sold in the Argentine for 2200 gns.; Millhills Majestic sold for 3000 gns.; and Banchory Metaphor sold for 2900 gns. at Perth in 1955, and was latterly purchased by Mr. James Barron, Findowrie, for 3500 gns. Another son of Eldorado was Glamis Budget, winner of 2nd prize at Perth, 1957, and sold for 2500 gns. to Mr. James Schofield for export to Señor García Victorica, Argentina. Bapton Princess Royal 30th is one of the best cows in the Bapton Herd, and has such famous bulls in her line as Bapton Air Pilot, Bapton Aerial, Calrossie Ringleader, and Roan Robin.

- (W) **CALROSSIE CUPBEARER** (352903), red, bred by John & D. P. MacGillivray. Calved 6th November, 1946—sire, Kirkton Baronet (335904); dam, (220425) Calrossie Lily Pauline by Aldie Aristocrat (290848).

He was 1st at Perth in 1948, a member of the champion groups, and was retained as a stock bull. At Perth in 1950, with his first crop of calves, he won the Pittodrie Cup for the best three bulls by one sire. His sons include the 5000-gns. Glastullich Cupbearer; the 4800-gns. Calrossie Revenue; the 3200-gns. Calrossie Royal Escort; the 3100-gns. Calrossie Caledonia; and the 3000-gns. Calrossie Rosewood Fortress, reserve senior champion. His eleven sons at Perth averaged £2258 each, making him the undisputed top breeding sire of his year. He was also the sire of Calrossie Highland Pride, used for a season in the Calrossie Herd, and then exported to Mr. John Davies, Australia. One of his daughters, Calrossie Augusta Laura, was purchased at the Calrossie Sale in 1950 for 1600 gns., and was the dam of the £12,000 record-priced Bapton Enterprise. Calrossie Lily Pauline, by the Perth reserve champion, Aldie Aristocrat, was an outstanding female, and her dam, Calrossie Lassie Pauline (by Collynie Royal Leader) was the best female on Calrossie for many years.

- (X) **BAPTON RINGLEADER** (382672), red, bred by the late J. V. Rank. Calved 12th June, 1950—sire, Bapton Paragon (369663); dam, (266041) Millhills Eliza 2nd by Kilkea Fury (317671).

Bapton Ringleader was a prize-winner at the Royal Highland and Royal English Shows in 1951. He was used in the Bapton Herd before being exported to Mr. John MacDonald, Australia, where he is reported to be one of the best bulls imported there during the last number of years. Bapton Paragon was the best bull of his year, and was retained for a stock bull for the Bapton Herd. He was got by Glastullich Pay Day, and his dam was one of the famous old Bapton Augusta families. Millhills Eliza 2nd won 1st prize and female champion at Perth in 1945. She was purchased for the Bapton Herd at 1700 gns. In her lifetime, she produced bulls which were sold to aggregate over £12,000. She was closely related to Lawton Field Marshal, the sire of the great Kirkton Baronet. Kilkea Fury, by Royal Northern, won the supreme championship at the Royal Dublin Society's Show, and was purchased for Millhills for 1000 gns., where he bred extra well before being exported to Argentina.

A Triple-Champion Shorthorn

Mr Cecil Moores.

Width and scope in front with smooth shoulder are qualities of a grand sire.

CALROSSIE

CONSELLATION

AT the three major shows—"Royal Highland" at Dundee, "Royal" at Norwich, "Great Yorks" at Harrogate—this year the Shorthorn championship was won by four-year-old Calrossie Constellation.

A red bull bred by John and D. P. Macgillivray, Calrossie, Ross-shire, he is the property of Mr Cecil Moores, owner of the Bapton herd at Cairnbrogie, Aberdeenshire.

In honour of this remarkable success in the first year he has been out at summer shows, "Farming News" presents an angle on the champion in pictures taken by Brewis Anderson.

A son of Calrossie Welcome, he is out of Calrossie Flossy Beau by Kirkton Baronet, and his dam's side include the sires Calrossie Prince Landlord, and the great white sire Calrossie Control. Welcome is by Calrossie Harmony out of Augusta Laura by Craggleton Perfect.

Constellation's sons include the record-priced Bapton Constructor, sold for 15,000 gns. to Louada Manor Farms, Ontario, in 1956, also Bapton Cairnbrogie, sold at Perth for 7000 gns. to Mr A. Cross, Calgary, Alberta.

A grand head! Look at the expression and character, boldness of eye, and strength of muzzle.

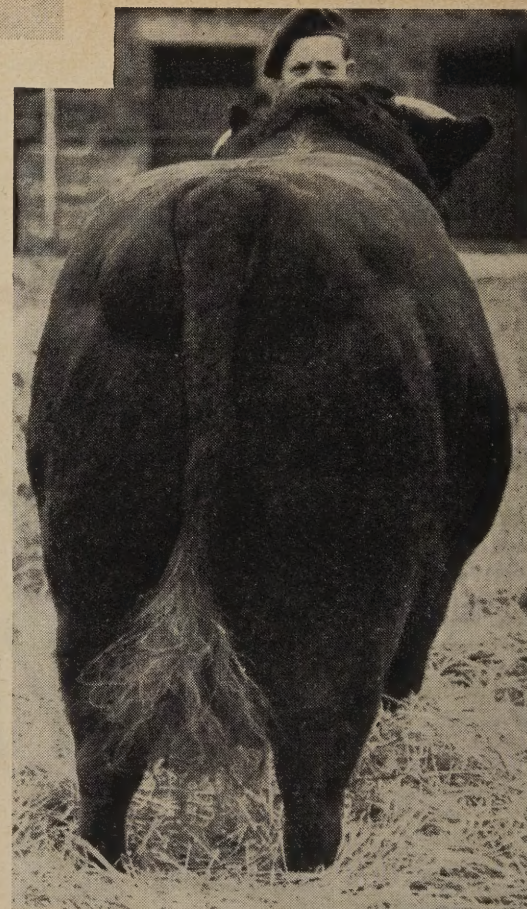

A special picture to let you see another characteristic — depth of jaw.

An idea of Constellation's quarters and strength of bone.

Looking along the top line you see the width carried right over the shoulders.

See the scale behind and good fleshing qualities.

- (Y) **BAPTON PARAGON** (369663), red, bred by the late J. V. Rank. Calved 3rd February, 1948—sire, Glastullich Pay Day (344292); dam, (277266) Bapton Augusta 29th by Lawton Alfred (235690).

Bapton Paragon was the best calf of his year, and was retained as a stock bull in the Bapton Herd. He is the sire of Bapton Ringleader, a prize-winner at the Summer Shows in 1950, afterwards exported to Mr. John M'Donald, Australia. Bapton Paragon's females are amongst the best breeders in the Herd. Glastullich Pay Day won 1st prize at Perth in 1947, and was a member of all the champion groups, and was purchased for 1700 gns. He won 2nd prize at the Royal Show, York, in 1948, and was sold for 2000 gns. for export to Russia. His sire, Glastullich Fortress, was one of the best breeding bulls of his time. He sired the 5000-gns. Glastullich Smasher, champion at Perth in 1947, and he also sired Glastullich Claretta, supreme champion at the Royal Show, York, in 1948. Bapton Augusta 29th goes back to the famous Show cow, Bapton Augusta 11th by Calrossie Ringleader. Lawton Alfred, by Collynie State Express, was used for two seasons at Bapton before being exported to the Argentine.

- (Z) **GLASTULLICH PAY DAY** (344292), dark roan, bred by William J. MacGillivray. Calved 28th November, 1945—sire, Glastullich Fortress (321245); dam, (262710) Glastullich Augusta Polly by Lawton President Roosevelt (308482).

Glastullich Pay Day won 1st prize at Perth in 1947, and was a member of the champion groups. Purchased for 1700 gns., he won 2nd prize at the Royal Show, York, in 1948, and was sold for 2000 gns. for export to Russia. Glastullich Pay Day was the sire of Bapton Eldorado, who was used with such great success in Mr. Hugh Black's Banchory Herd, siring such famous bulls as the well-known Banchory Jason, used at Millhills; the 1700-gns. Banchory Just Right; the 3200-gns. Banchory Julian; the 2200-gns. Banchory Justin; the 3000-gns. Millhills Majestic; the 2900-gns. Banchory Metaphor; and the 2500-gns. Glamis Budget. Glastullich Pay Day was also the sire of Bapton Actress 24th, dam of the 3800-gns. Bapton Control. His sire, Glastullich Fortress, has been one of the best breeding bulls of his time. He was the sire of Glastullich Smasher, champion at Perth in 1947, sold for 5000 gns. to Captain Rutherford, Baldowrie, and of Glastullich Claretta, supreme champion at the Royal Show, York, in 1948.
